*"To Everything There Is a Season
and a Time to Every Purpose
Under the Heaven."*

Ecclesiastes 3:1

Foreword

"To every thing there is a season and a time for every purpose under heaven." This beautiful passage, a profound and moving quotation from the historical and symbolical pages of the Bible, is the theme of this year's *Montaneer*.

We, the editors, hope that it will impart to each student a warm, nostalgic memory of his Pleasant years and also serve as an inspiration based upon happy undergraduate days profitably spent.

The time has again arrived when the seniors must leave the protective custody of Mont Pleasant, venerated in song and story by legions of alumni who have gone before. As departing seniors, we venture out alone into a vast world—a complex society replete with ethnic unrest, war, bigotry, love, compassion—a veritable kaleidoscope of self contradictions.

For some, this transformation will be comparatively easy; for others, it is a dangerous trek into the unknown. One fact, however, is certain. They will not flounder. For they will be armed with a reassuring knowledge acquired during their seemingly short three-year stay.

In the fullness of time, this same pathway will lie ahead for the present juniors-to-be and the freshmen who will enter next September. And when their graduation day finally arrives, that same pathway will once again be trod by a host well prepared for the future by virtue of their exposure to the social and academic disciplines of a respected Alma Mater.

You can be replaced, we have some smart students this year.

Mr. Jack Hickey, *Assistant Principal*

Mr. Fred Dutcher,
Assistant Principal

Mr. Joseph Collins, *Principal*

Mr. Collins is responsible for the total school program and for curriculum development. Mr. Hickey and Mr. Dutcher, two of the school's assistant principals, are in charge of attendance, discipline, class absences, and individual scheduling. Mr. Zizzi's work is similar to that of the other assistant principals; in addition, he is also responsible for technical liaison between Mont Pleasant and the General Electric Company.

All of these men chart the courses of study at Mont Pleasant so that every student has an opportunity to reach his full scholastic potential.

A bird's eye view of our beloved principal.

Mr. John Gregory,
Guidance Counselor

Mr. John Salemme,
Guidance Counselor

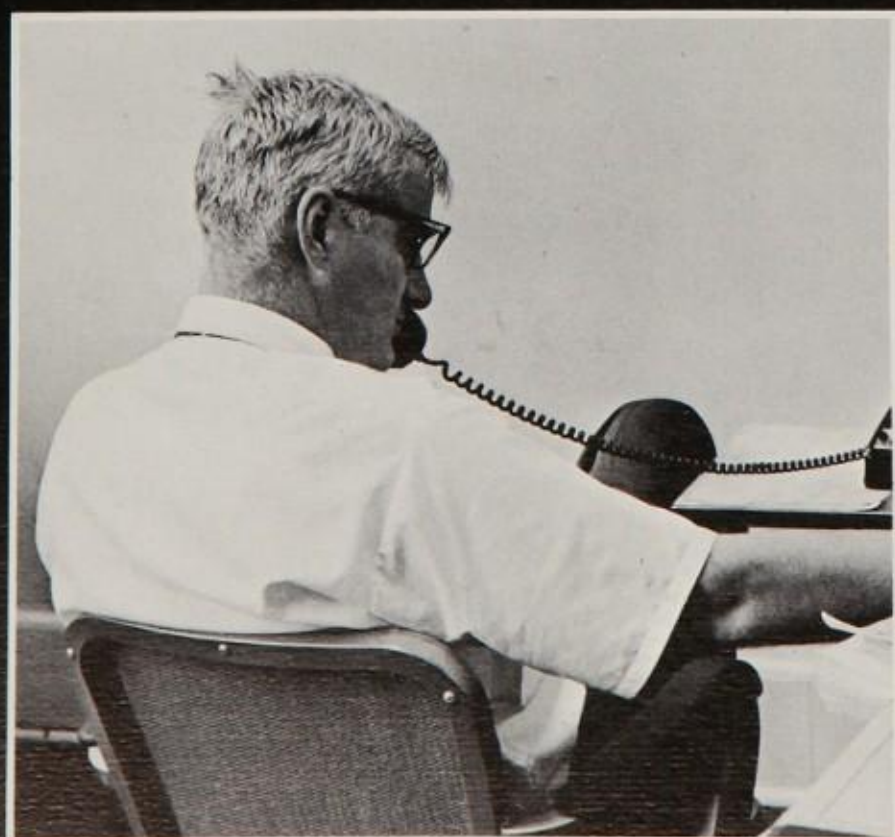

Miss Isabel Jarvis,
Guidance Counselor

The guidance counselor performs one of the most important services in the high school. Counselors have a responsibility to every student. These responsibilities include everything from advising and reassuring uncertain freshmen to providing information to seniors who anticipate college careers.

Mont Pleasant is proud to include in its guidance staff Miss Cunningham (guidance coordinator), Miss Jarvis, Mr. Courtney, Mr. Gregory and Mr. Salemme. The guidance secretaries are Mrs. Ludwig and Mrs. Dickens.

Retirement

The Seniors will leave Mont Pleasant in a glorious burst of pageantry—pompous yet stately. However, there is someone who will depart from this school most inconspicuously. This person, a fine and distinguished member of the Faculty for over twenty years, has come to be admired and respected by students and teachers alike, not only for his unfailing devotion and zealous endeavors regarding his job as one of our greatest Physical Education teachers, but for his engaging personality as well. Now departs a man who has toiled indefatigably in the best traditions of his profession, one whose memory is indelibly etched upon the minds of all those who have associated with him.

In recognition of a career so constructively spent in our behalf the students of Mont Pleasant extend to Mr. Nicholas Rieg heartiest good wishes on your forthcoming retirement. May it be a carefree and joyous one replete with Pleasant memories so richly deserved.

A Rembrandt I'm not!

Let's have some music for once!

Can you see what you're doing?

"I applied mine heart to know, and to search, and to seek out wisdom, and the reason of things . . ."

Ecclesiastes 1:25

The ROLLING STONES would never sing a song like this.

Exhausting!!!

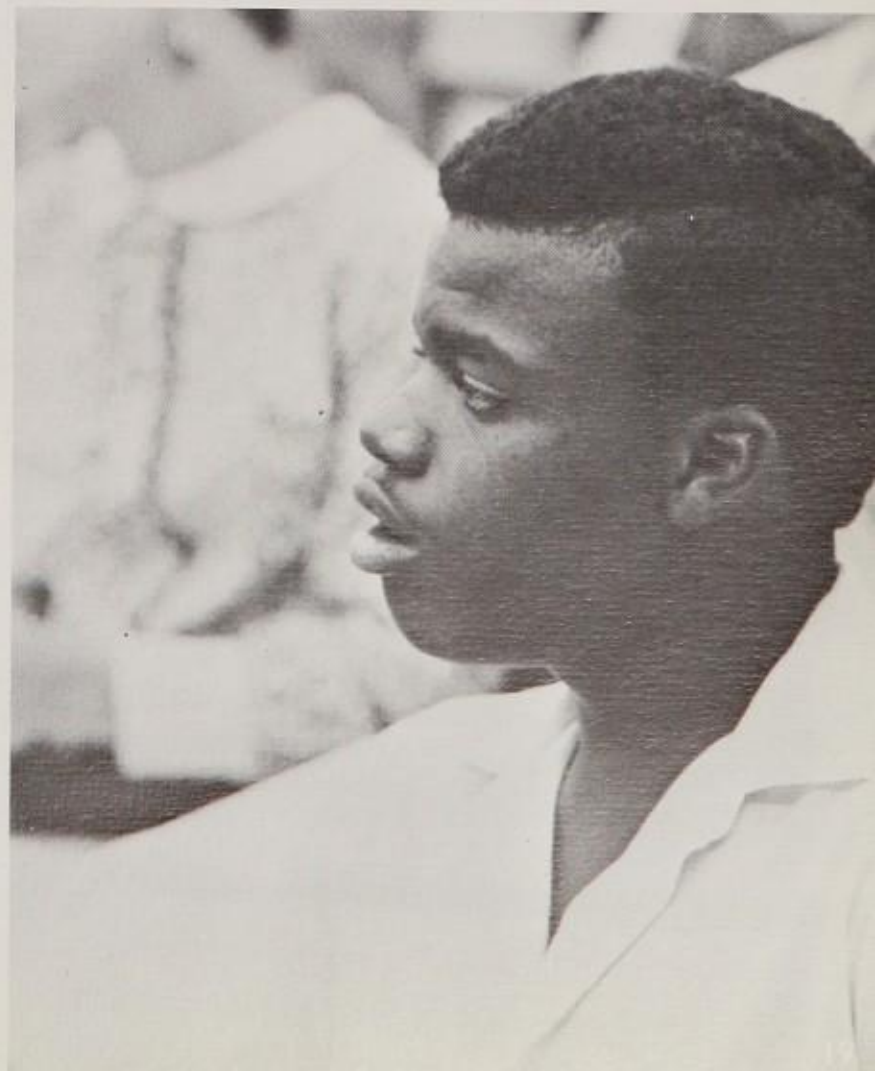

Cultural Achievements

A student waits for Mr. Howard's cue.

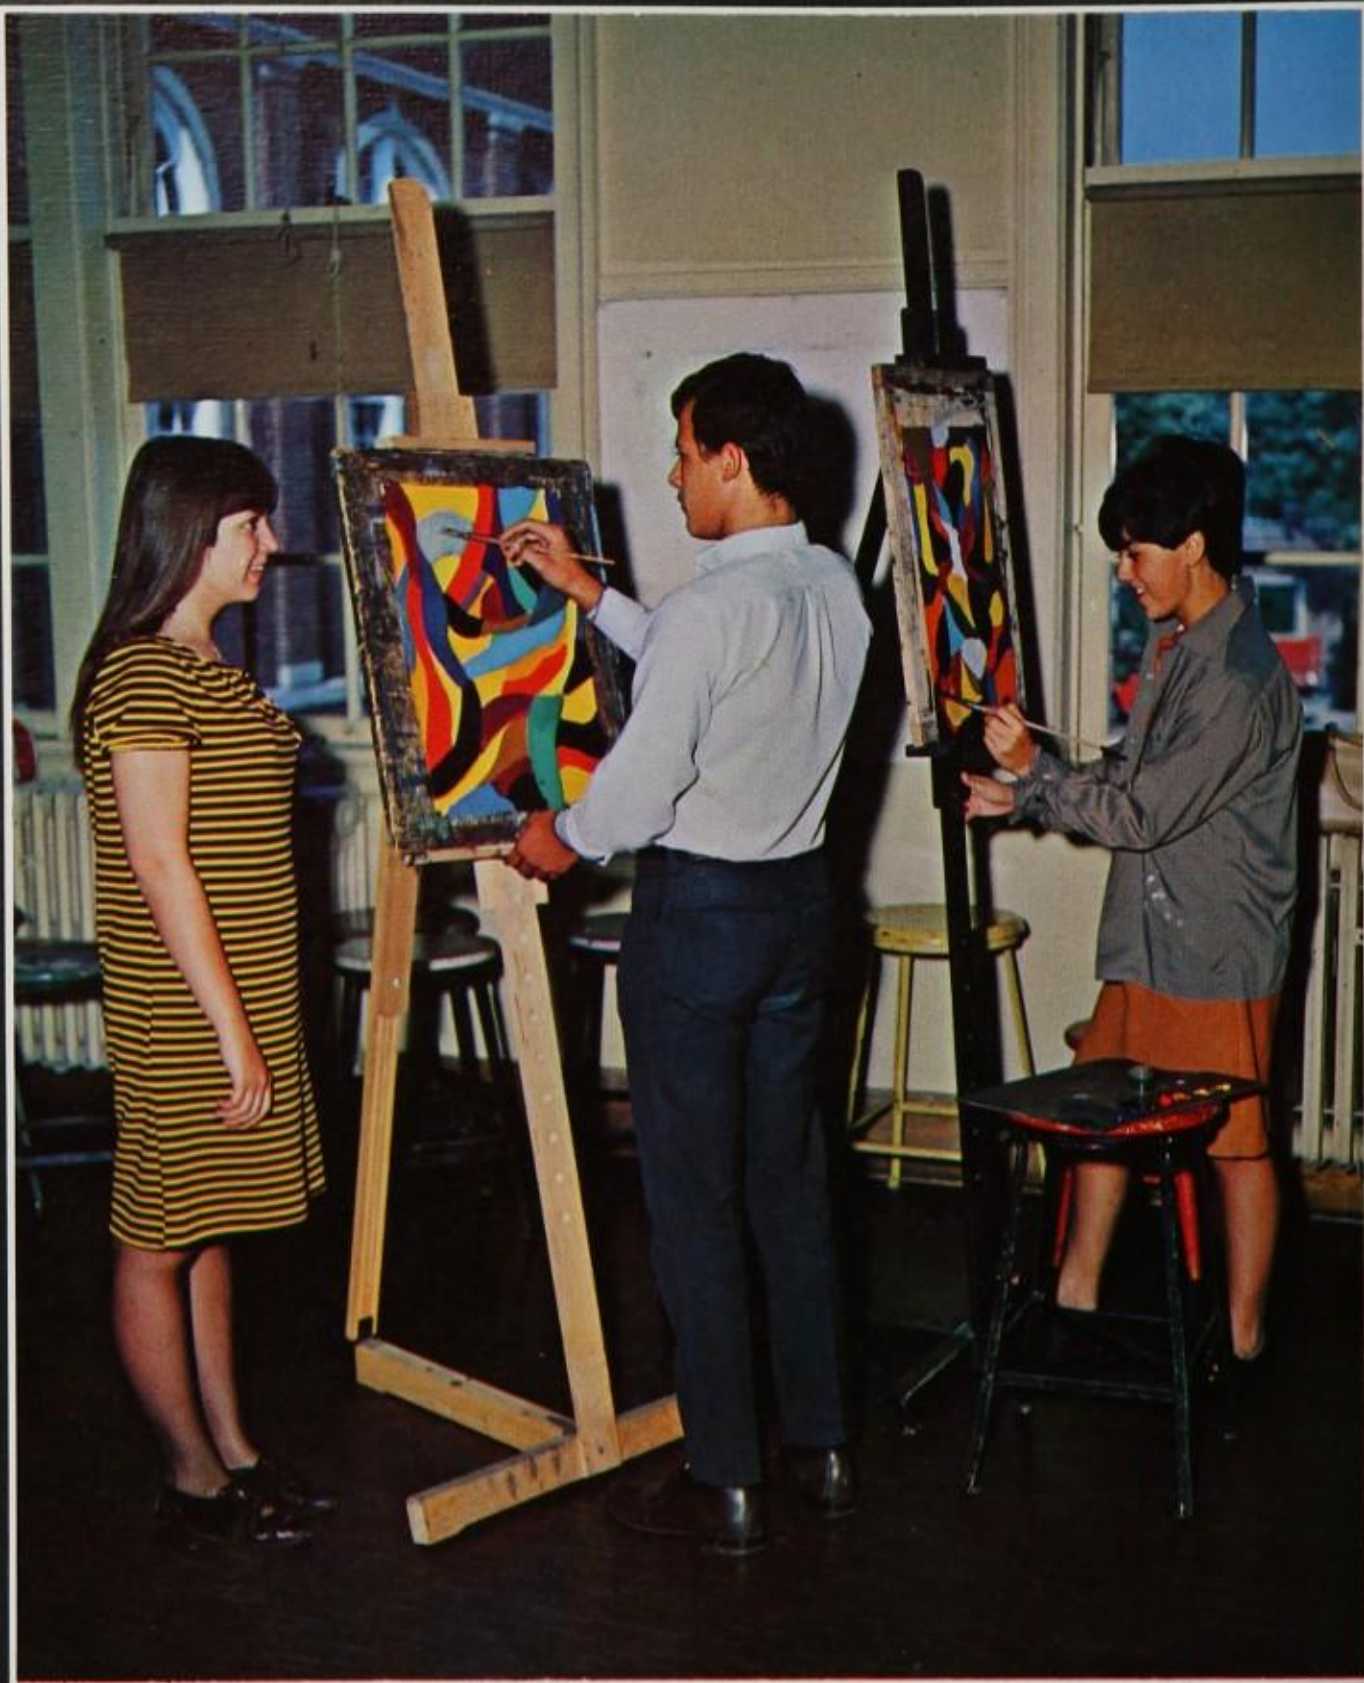

Cultural

Mont Pleasant has not forgotten the need for culture, which every student needs to extend his intellectual scope and enlarge his capabilities.

This year, Mont Pleasant is proud to welcome back the celebrated Mr. Cleveland Howard, the school's Music Department chairman, who has just recently returned from an extended leave of absence. Mr. Howard, known for intense concentration and perfection in his field, has shown that Mont Pleasant can indeed boast of a fine Music Department. The department is composed of a two hundred voice choir, in addition to an elite group of forty five students, known as the symphonic singers, whose voices when raised in unison astound and completely captivate the average listener. Mr. Albert Hallenbeck has charge of the school band which possesses an assemblage of sixty students, carefully trained in the act of rhythm.

Artists (?) at work.

Oh boy, we're going to sing Handel's MESSIAH in A minor.

Ugh! That's terrible

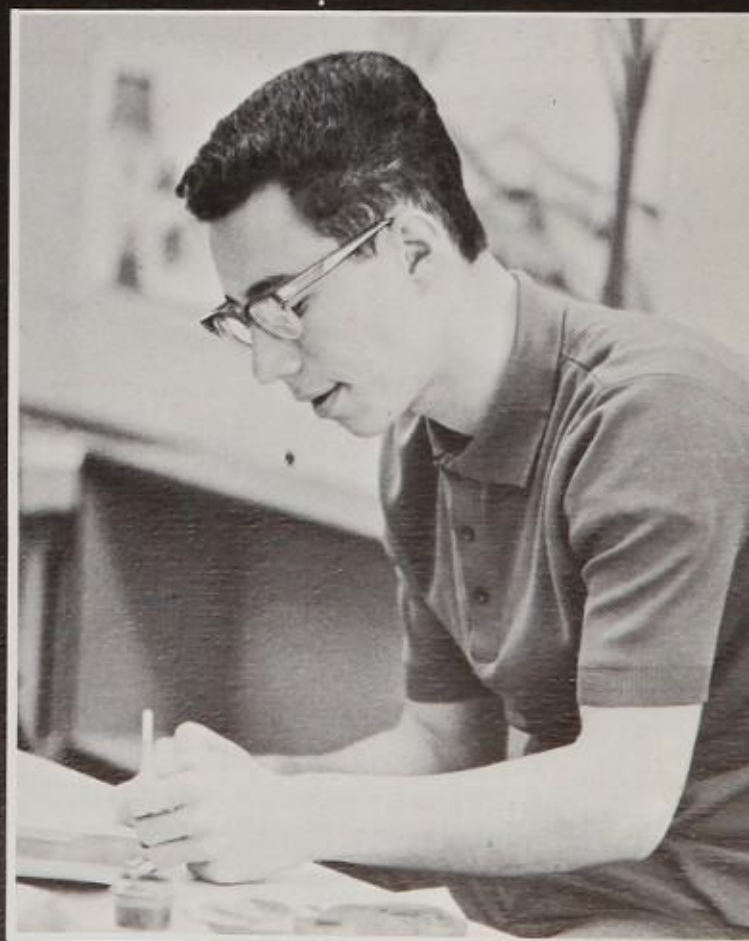

No one's perfect.

Whistle while
you work.

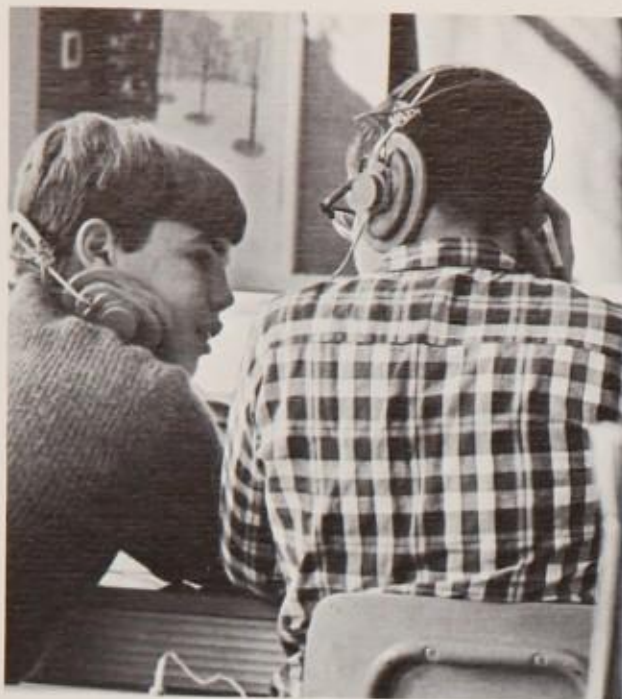

The Art Department, under the direction of Mr. William O'Connor, offers a variety of art courses designed for students of various artistic temperaments. The Art Department's many achievements are manifest in the front hall, where creative paintings are displayed—the work of talented students under the direction of Mrs. Florence Gronvall.

Studying dramatics provides one with an opportunity to emote—to express one's inner convictions, one's frustrations and dreams. The dramatic classes under the direction of Mr. Theodore Beardsley give students a chance to show what dramatic capabilities they possess. Mr. Beardsley has instilled life and meaning into the acting profession through his stage play productions. The Dramatic Department is indeed one which cannot be equalled.

Another Day Another Painting.

De quoi parle-t-il?

I want a 5,000 word essay on the private life of Henry the 8th.

It looks like a Tyrannosaurus rex to me!

Academic Achievements

At Mont Pleasant the undergraduate soon learns that academic proficiency is an important goal in their quest for education.

Beginning this year, the English Department offers each upper classman the opportunity to choose a field of study ranging from drama and world literature to rhetoric and philosophy.

The Social Studies Department continues to strive for increased international understanding and to present a comprehensive view of a program tailored to the belief that successful democratic government depends on intelligent citizenship.

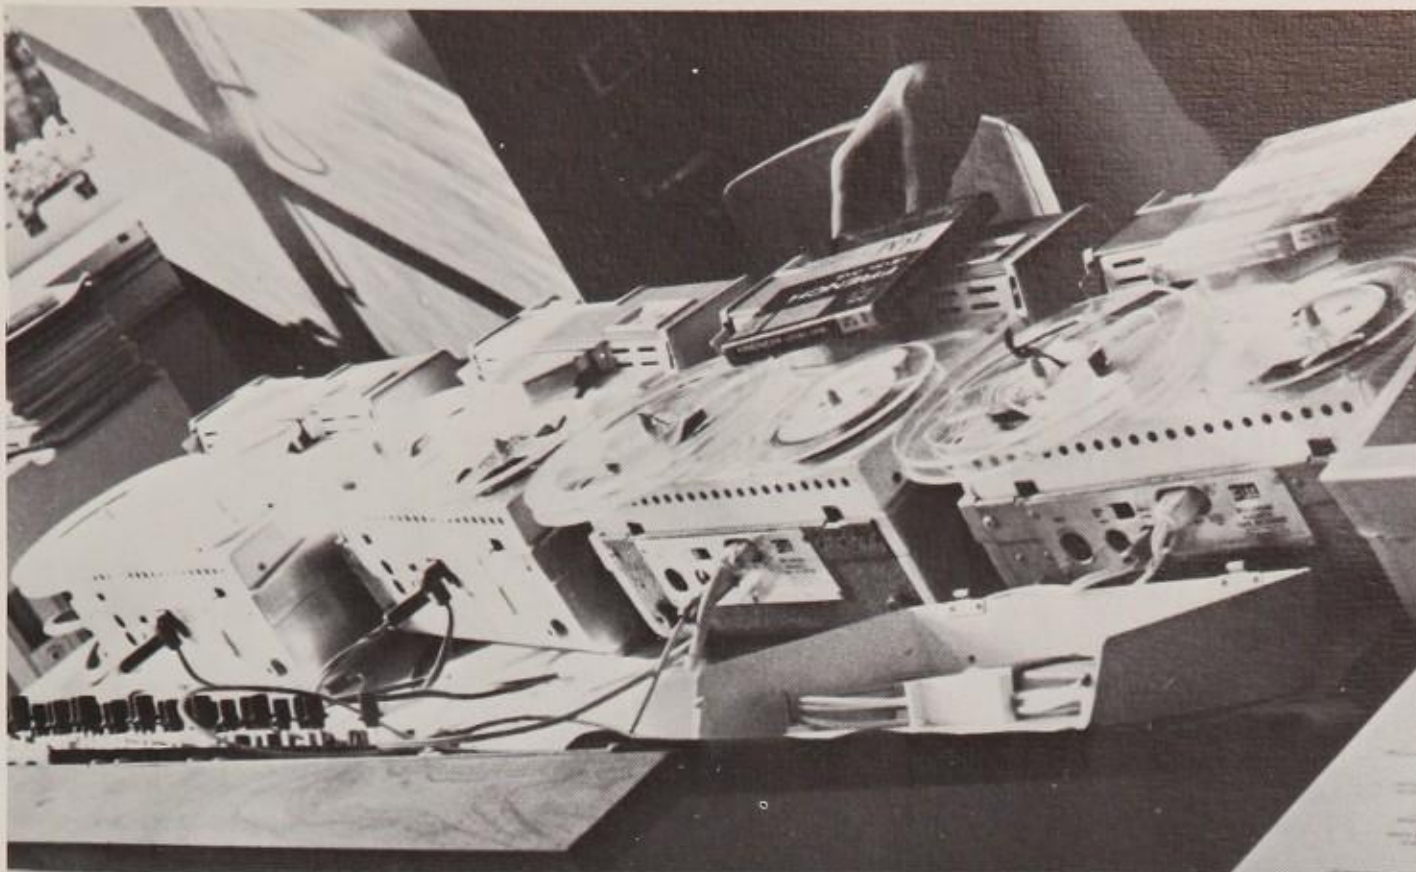

This year, the Science Department has been partially refurbished; two rooms having been renovated with new desks, tables, and laboratory equipment to assist every student in keeping abreast of the rapidly changing scene in the Scientific world.

The Mathematics Department also continues to offer every student at Mont Pleasant the widest, possible variety of content, each course designed to teach students to better understand the concepts of practical mathematics.

• Mont Pleasant's Language Department, is also equipped with modern facilities for mastering the language of one's choice, and for exploring various ways of life, of people from other countries.

With a broad academic spectrum offered in many areas, every student is given the opportunity to achieve academic excellence!

I'm all wound up.

**“He that refuseth instruction despiseth
his own soul: but he that heareth re-
proof getteth understanding.”**

Proverbs 15:32

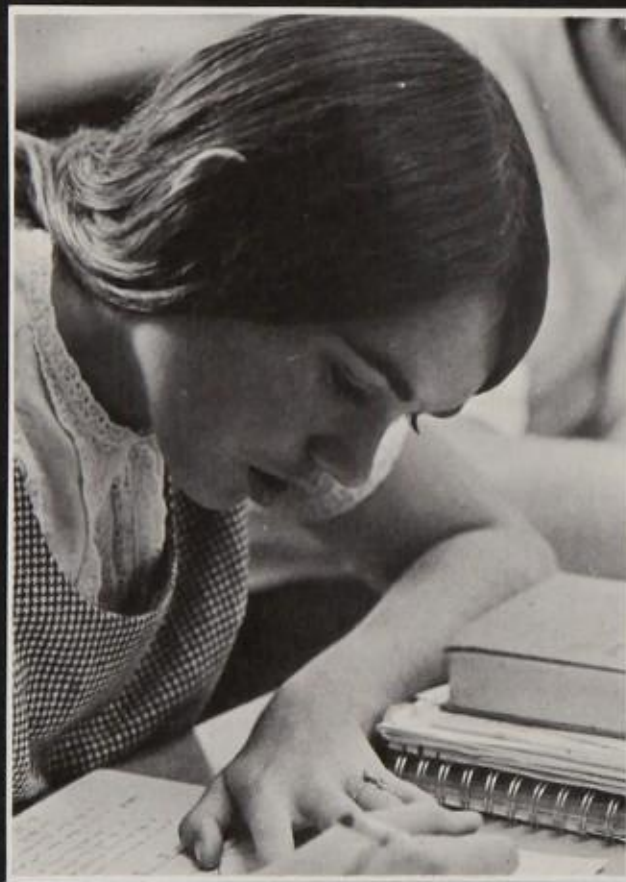

Ouch, first my hand,
now my finger!

Mr. Ludwig tunes in on some of his lab students.

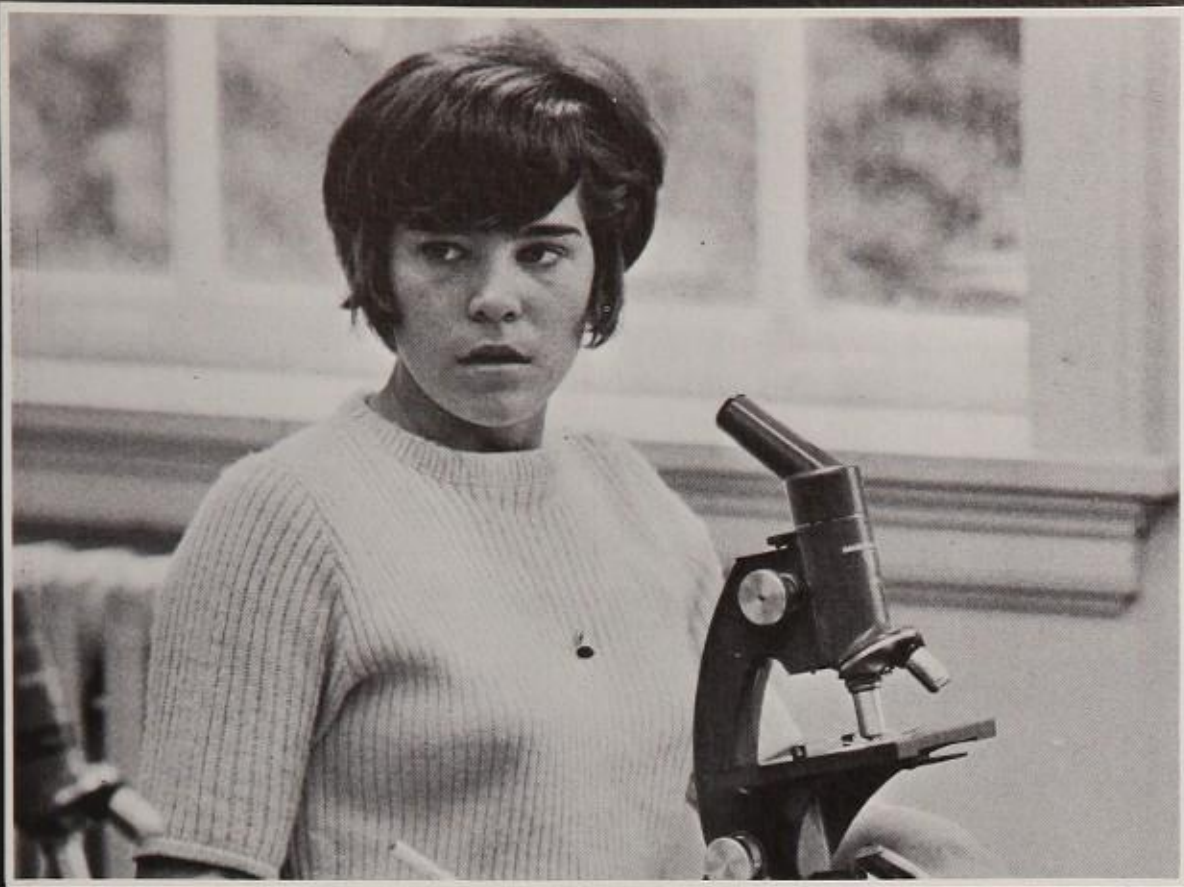

Nancy Marquis ponders
over a difficult
problem.

That's life!

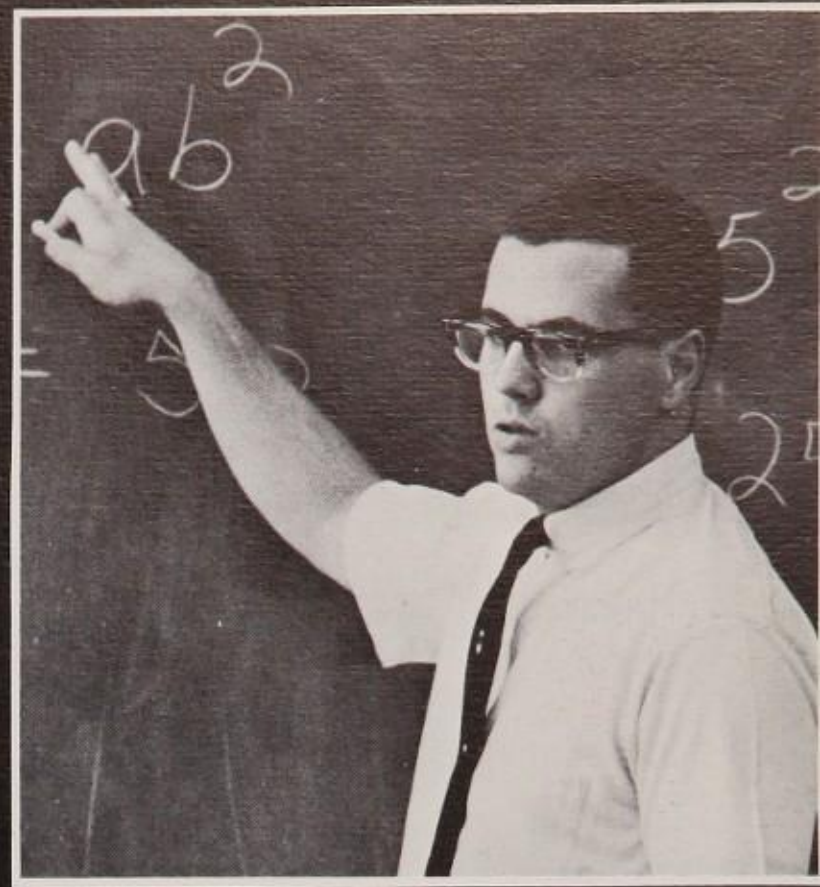

Biology students zero in on a rare specimen of onion skin.

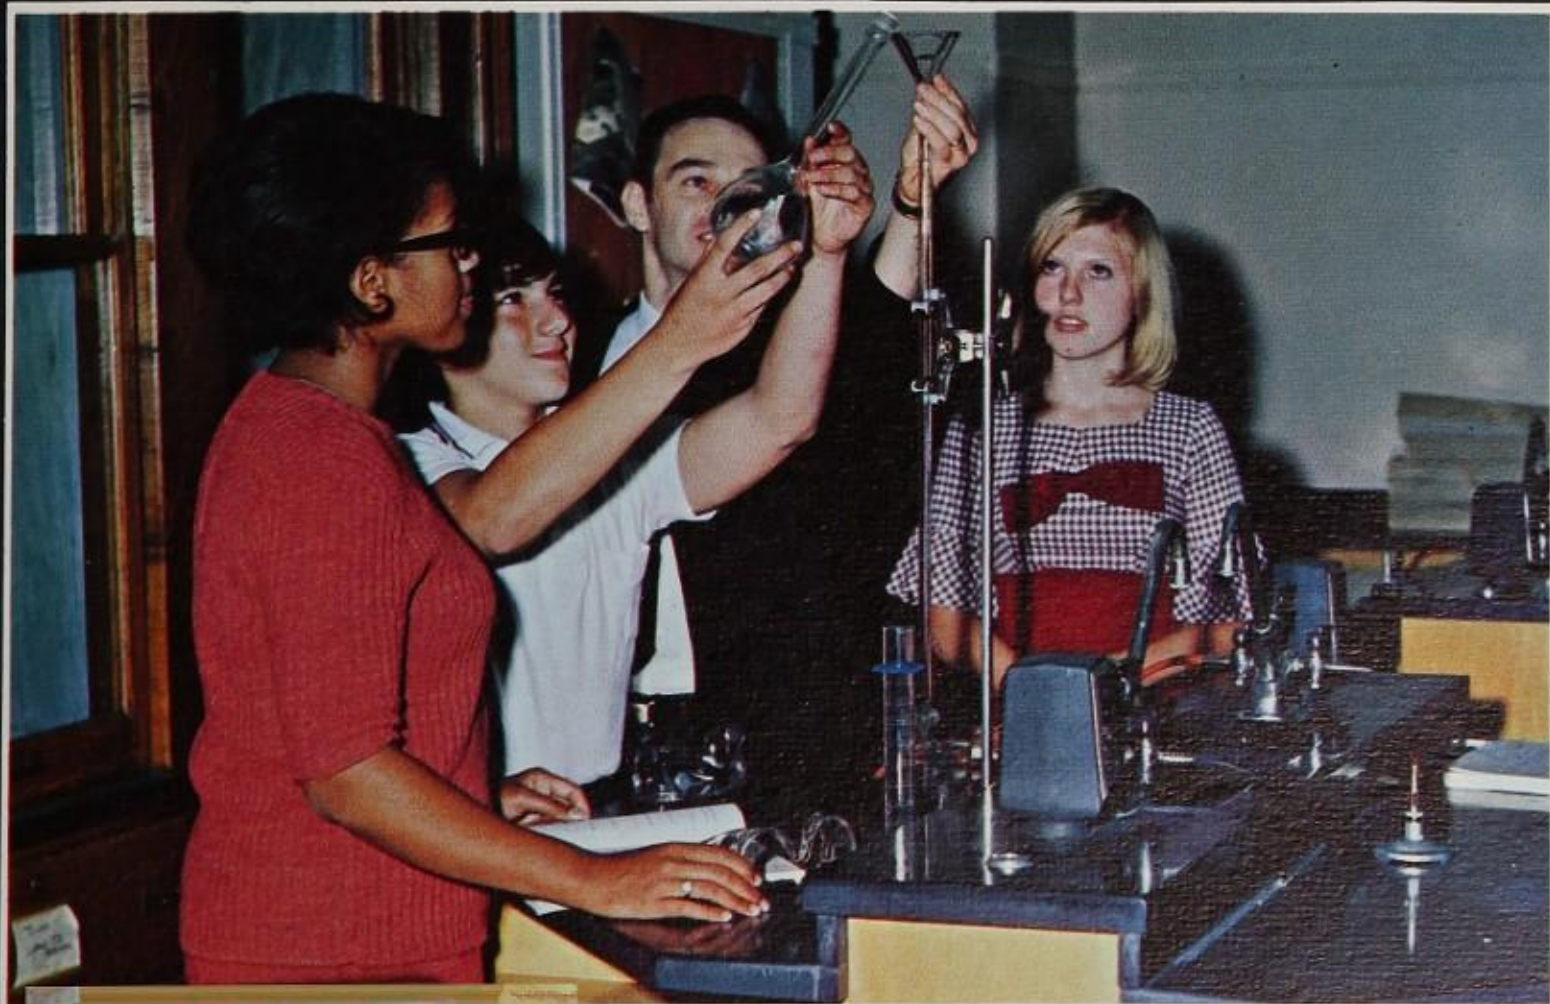

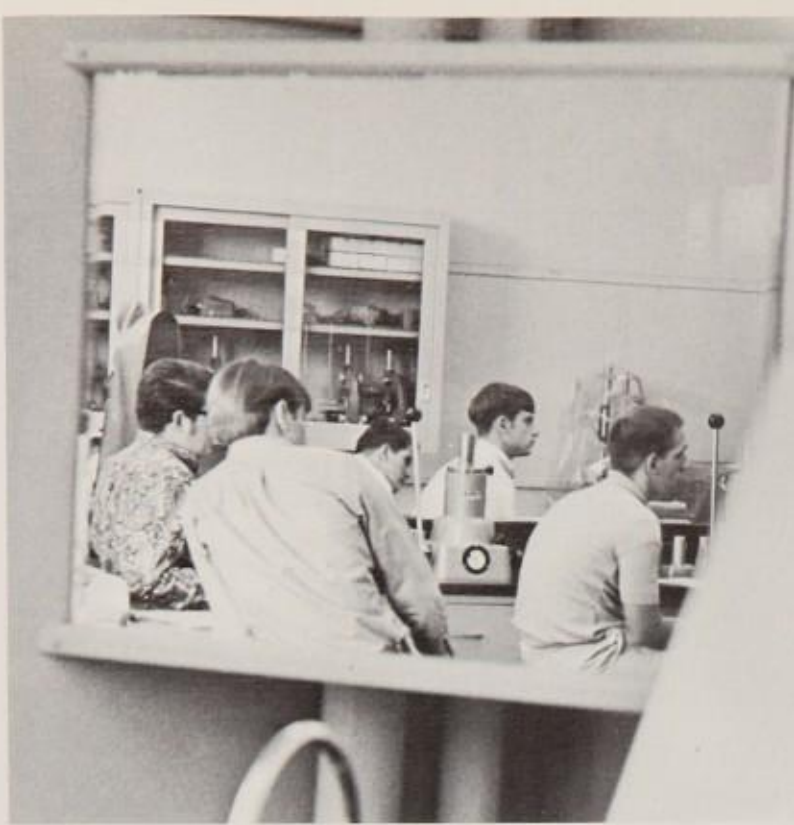

You wouldn't believe what I just saw!

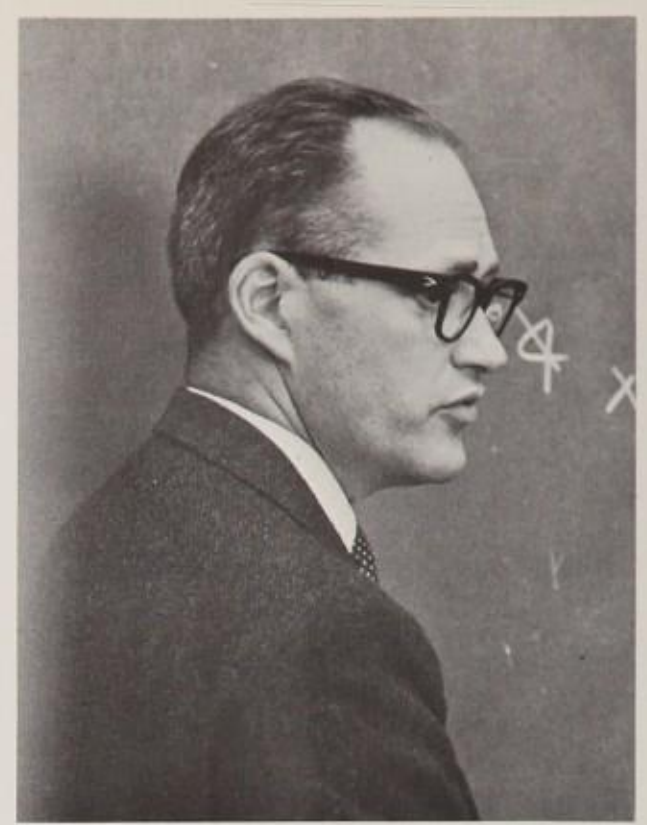

Have you got that?

SKOL!

Big Brother's watching you!

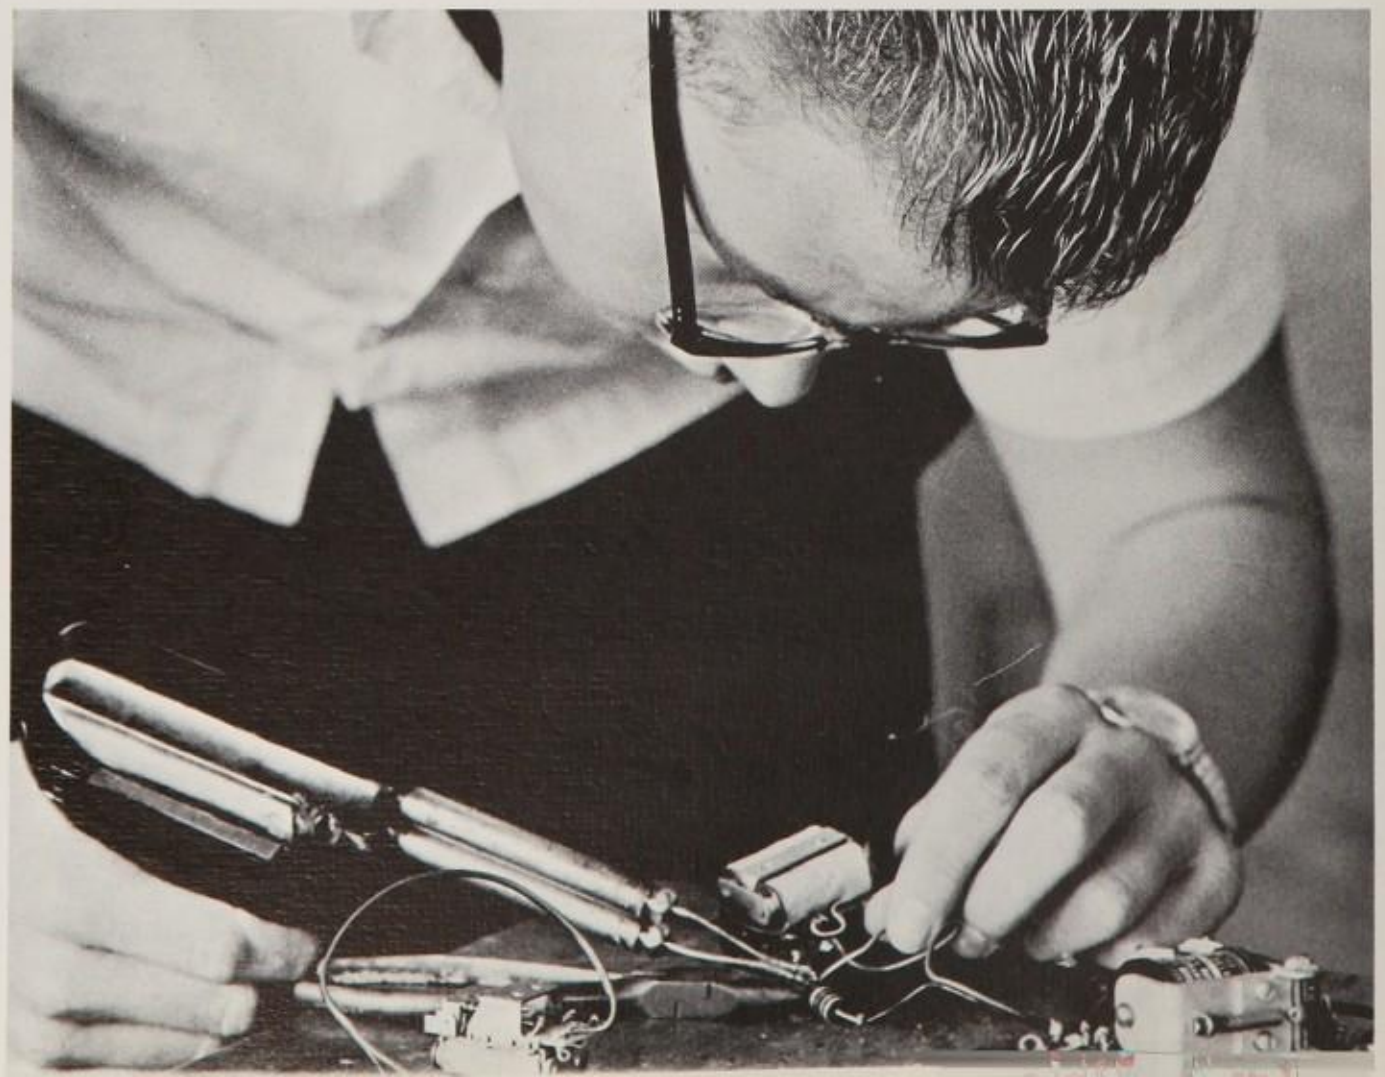

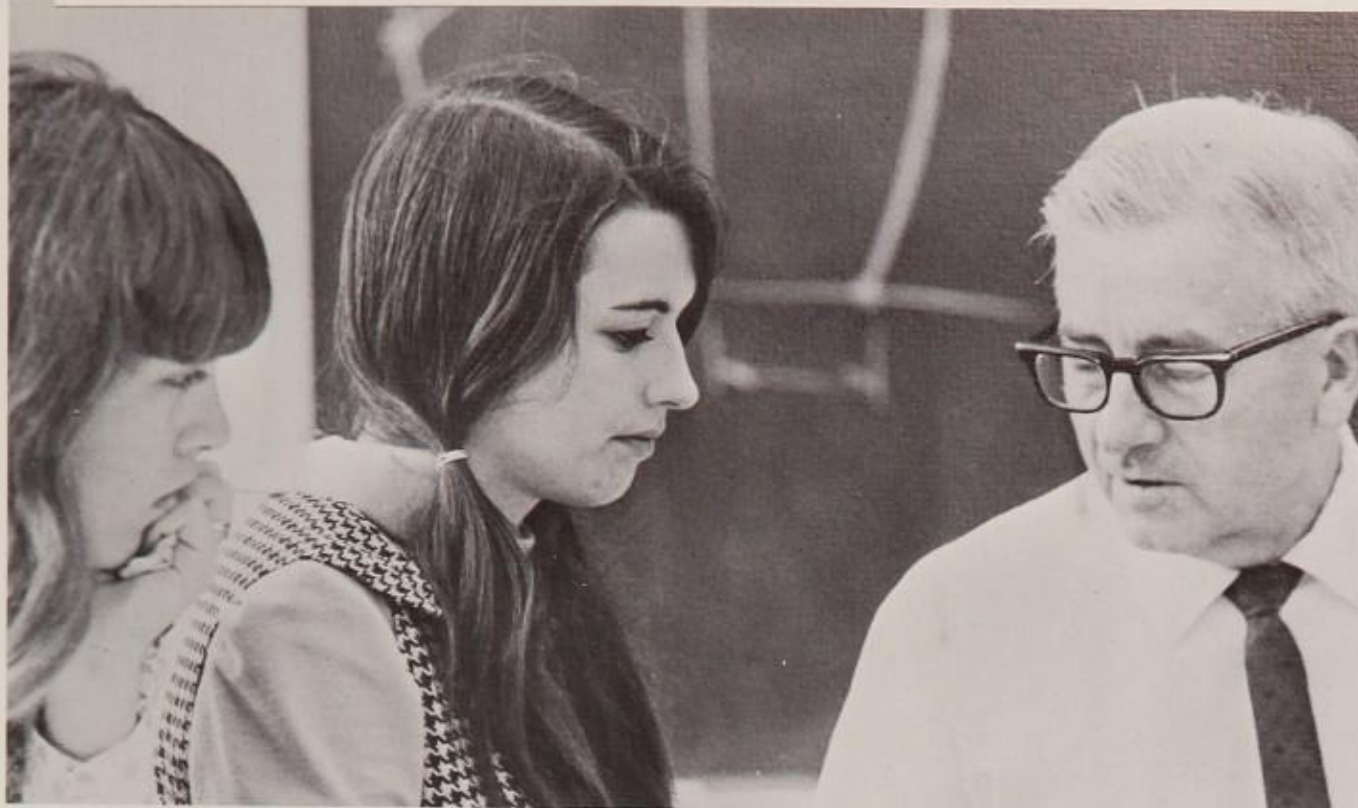

These are *technical* students?

"Knowledge is a fountain of life to him that possesseth it"

Proverbs 16:22

I think I'll patent this gun for Batman.

Mr. Clark advises Mary Lou Shepard in Engineering drawing.

Technical

The College Preparatory Technical Course is the most rigorous scholastic program offered at Mont Pleasant High School. It is designed primarily for above average, college-bound students planning careers not only in the engineering or scientific professions but in the humanities or social sciences as well.

The core of the Technical Course is the College Preparatory Program to which more mathematics, science and technology are added in both breadth and depth. A study of the technologies provides the focal point in the integration of mathematics, science and communications skills.

What a "boring" job.

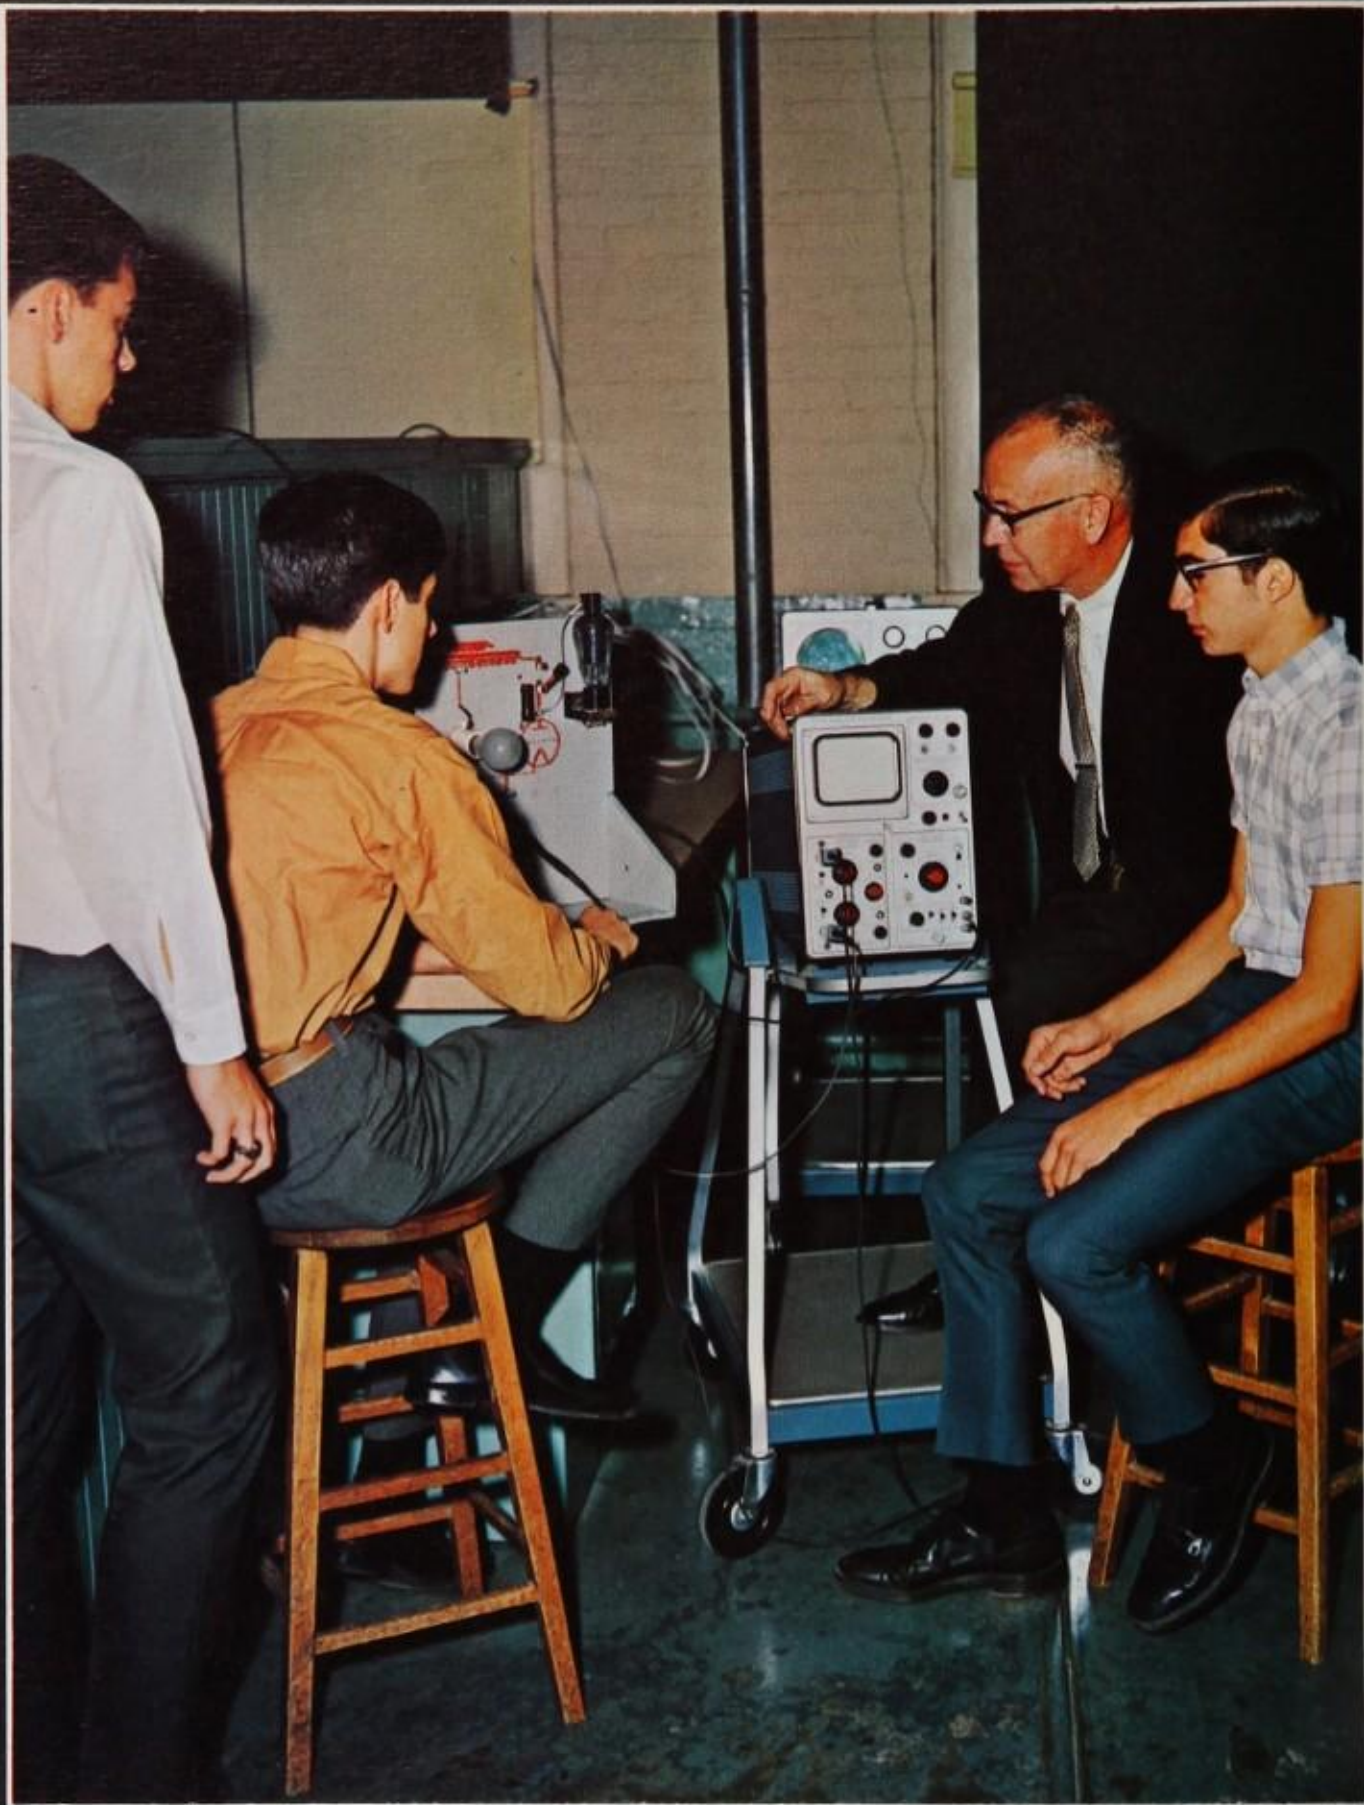

Watch the finger

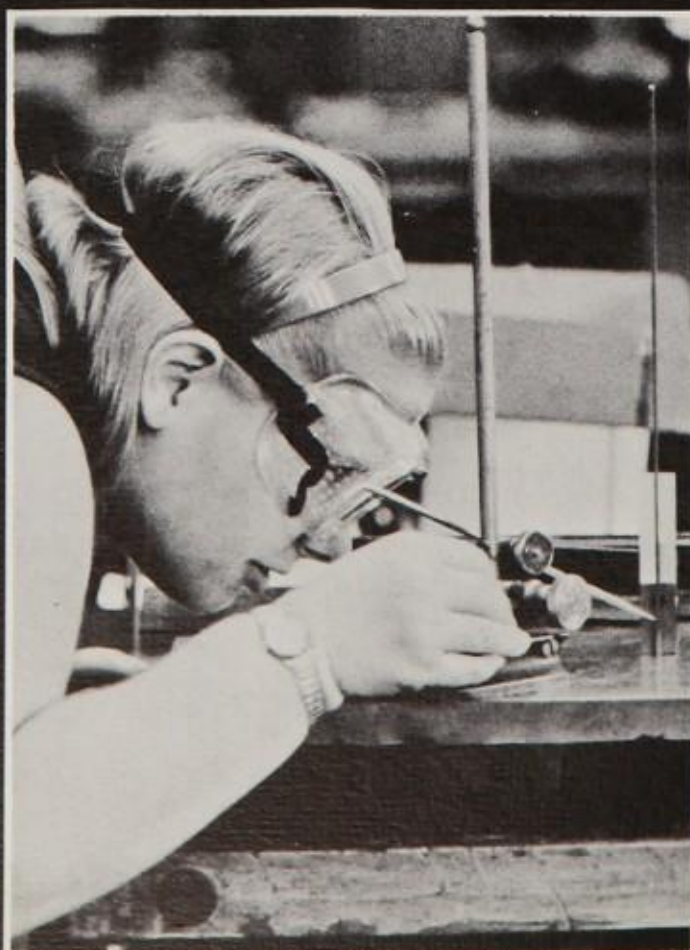

Does he or doesn't he?

Ray Sarnacki, John Swiatocha, and Dick Valente listen to Mr. Young's explanation of the operations of the oscilloscope.

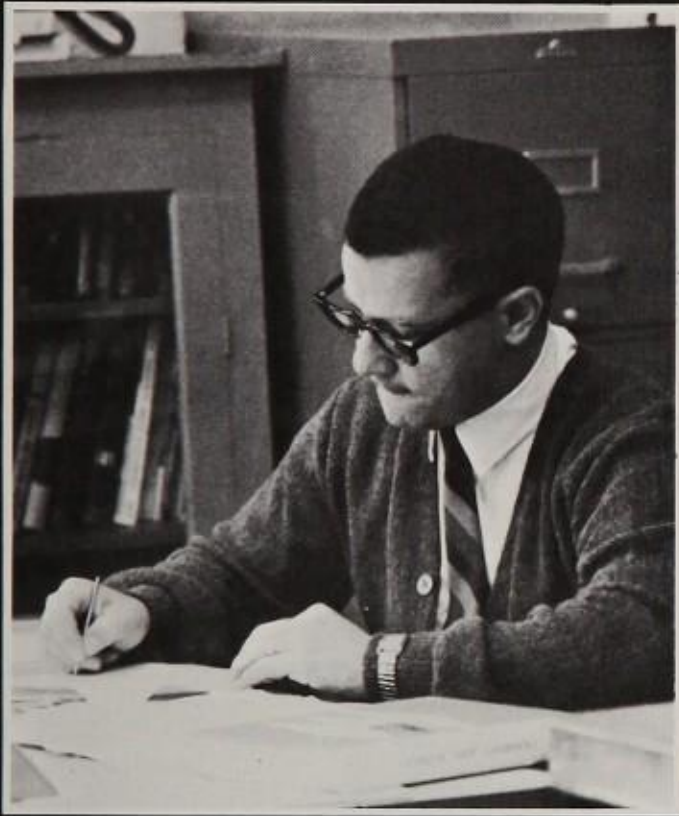

Who's talking behind my back.

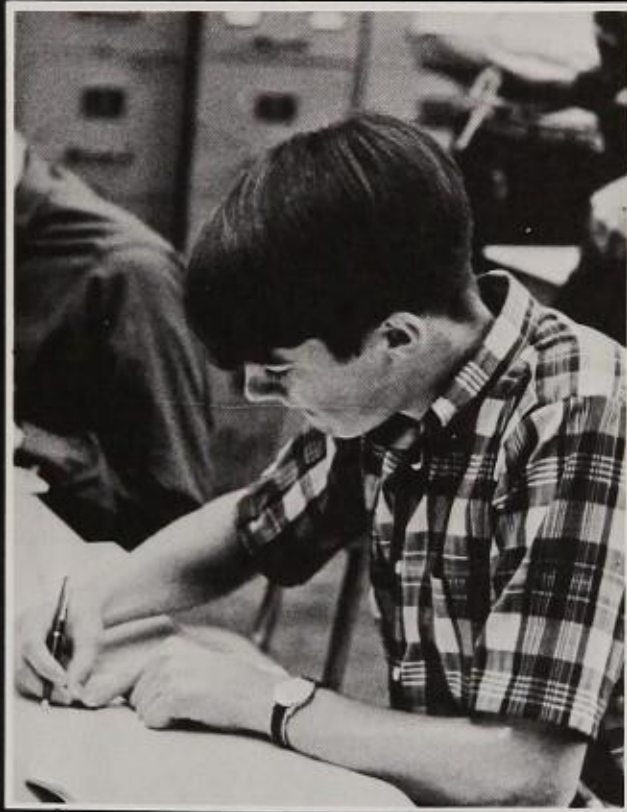

I'll catch you yet, you little devil you!

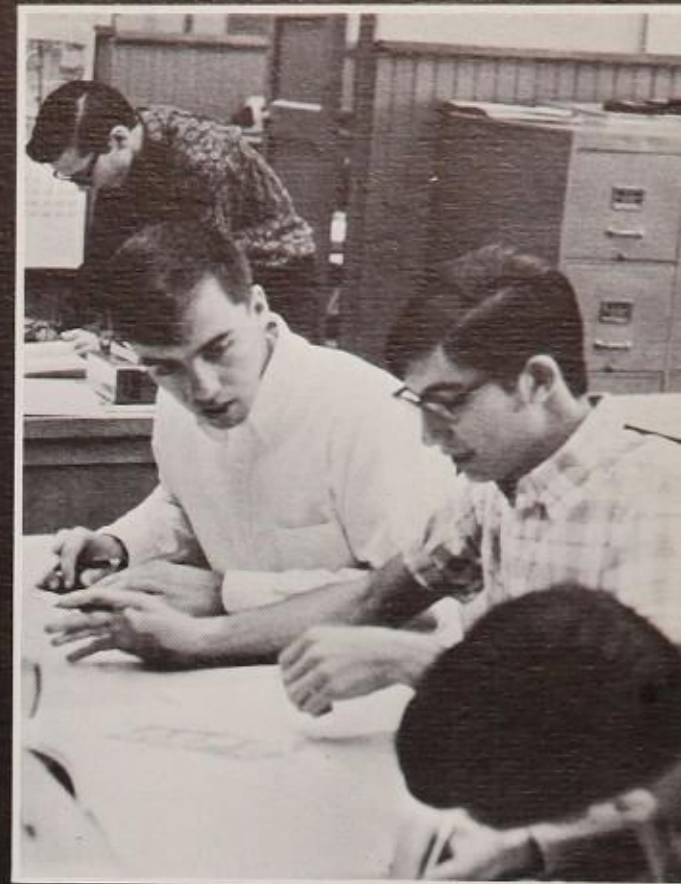

Hmm, shall I give him an F or a D.

Wait'll Mr. Young sees this.

Oh my Gosh! $2+2=4$.

Homemaking was never like this.

This is a pretty hairy problem.

Don't just stand
there. Call the
doctor!

Oh, there go my
contacts!

Somebody has to do the sewing.

This beats milking cows.

Utilitarian

The purpose of Physical Education at Mont Pleasant High School is to establish mental alertness and physical fitness in the student. Concurrent with gymnastics, the Physical Education Department also requires health education classes which acquaint the student with beneficial hygienic practices.

Driver education is also a course that is offered by the Physical Education Department. In this discipline of twenty weeks duration, the pupil learns the technique of becoming a cautious and conscientious driver.

**"The thoughts of the
industrious always
bring forth abundance"**

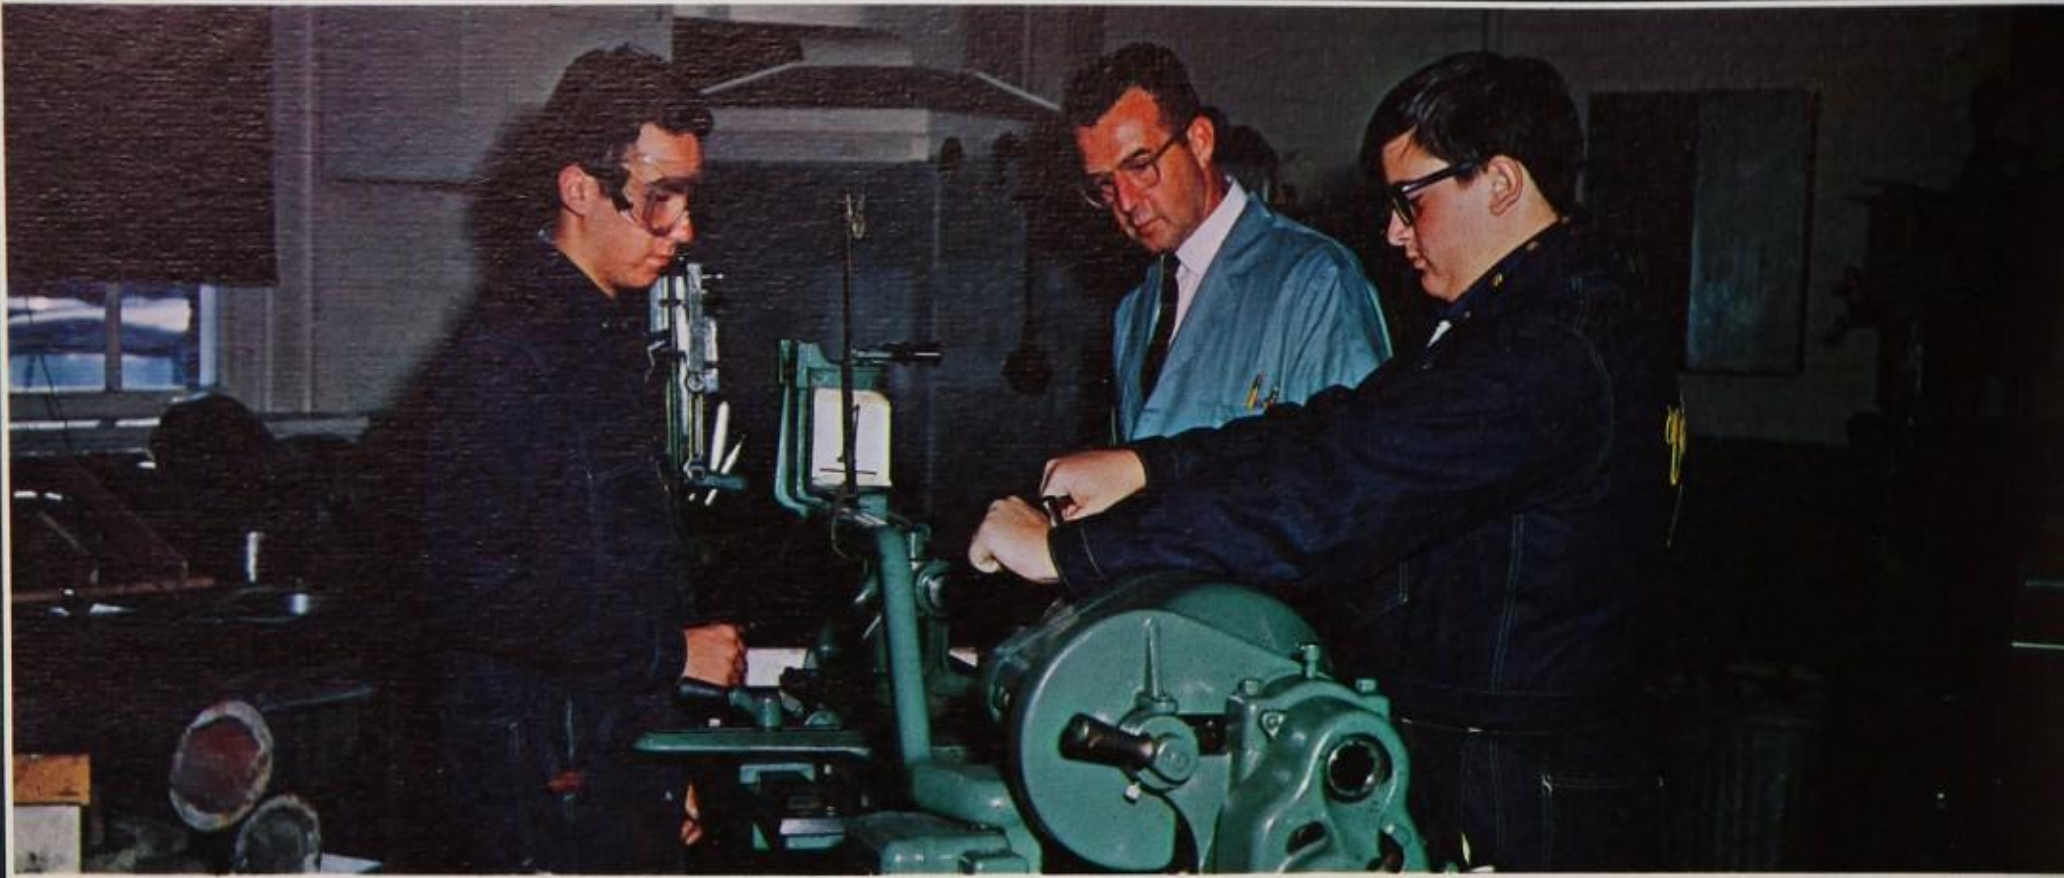

Proverbs 21:5

Oh let me, I can do it better.

Man this is the life!

Many machines make light work.

The Industrial Arts program is very important for the students interested in shop work and auto mechanics. In these courses all the students are carefully supervised and their individual potential for vocational work following graduation is determined.

The purpose of the Home Economics Department is to teach the students to cook and sew. While learning these skills, the pupils also begin to develop an understanding of social deportment.

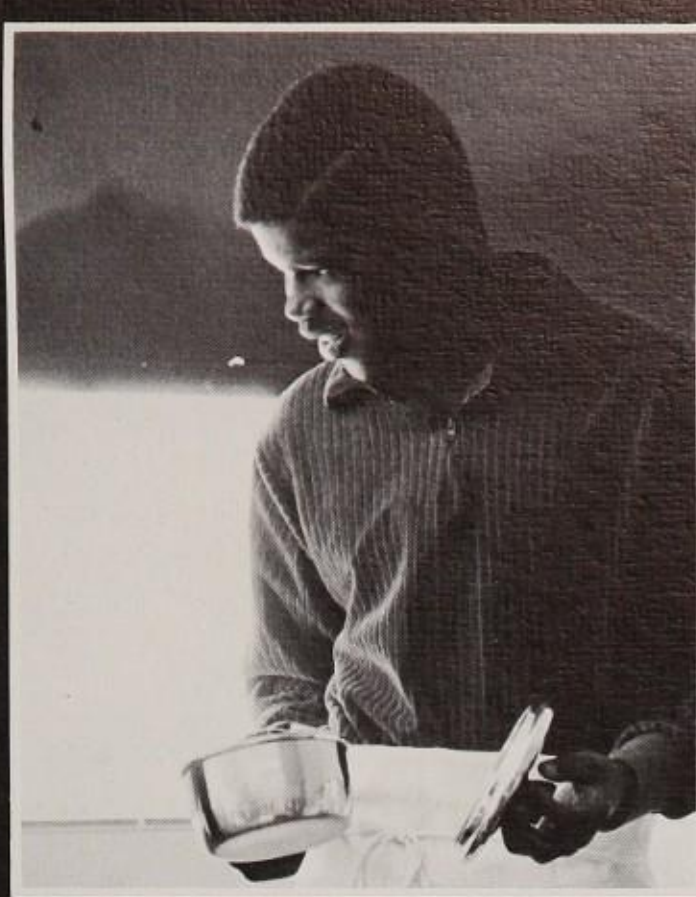

The Business Education Department trains potential secretaries, stenographers, cashiers, file clerks, and business machine operators. Its main objective is to teach the students salable skills and to qualify them for a business career following graduation.

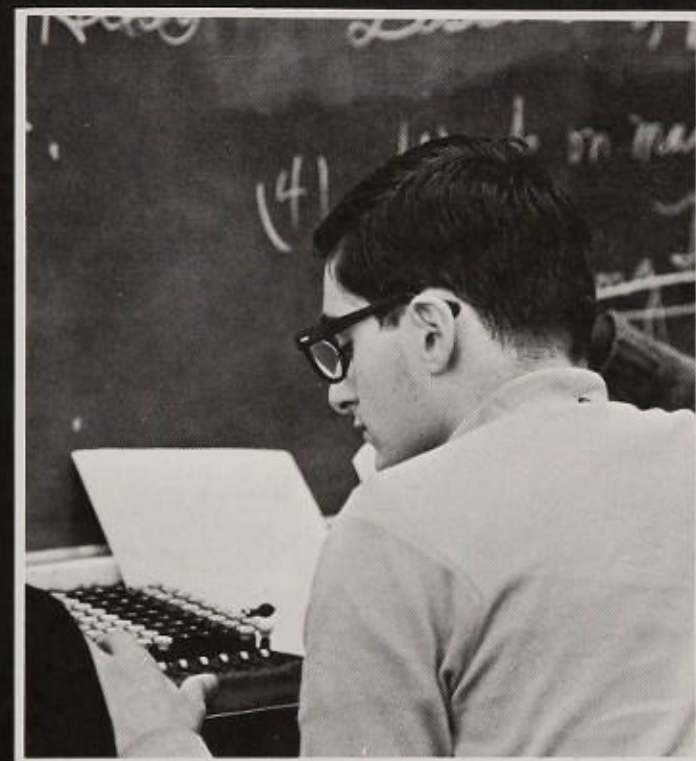

Hey Cathy! You forgot to fasten your seatbelt.

I know I aimed in this direction. It must be here.

Next vict--, uh volunteer.

Which button do I press now?

What a load!

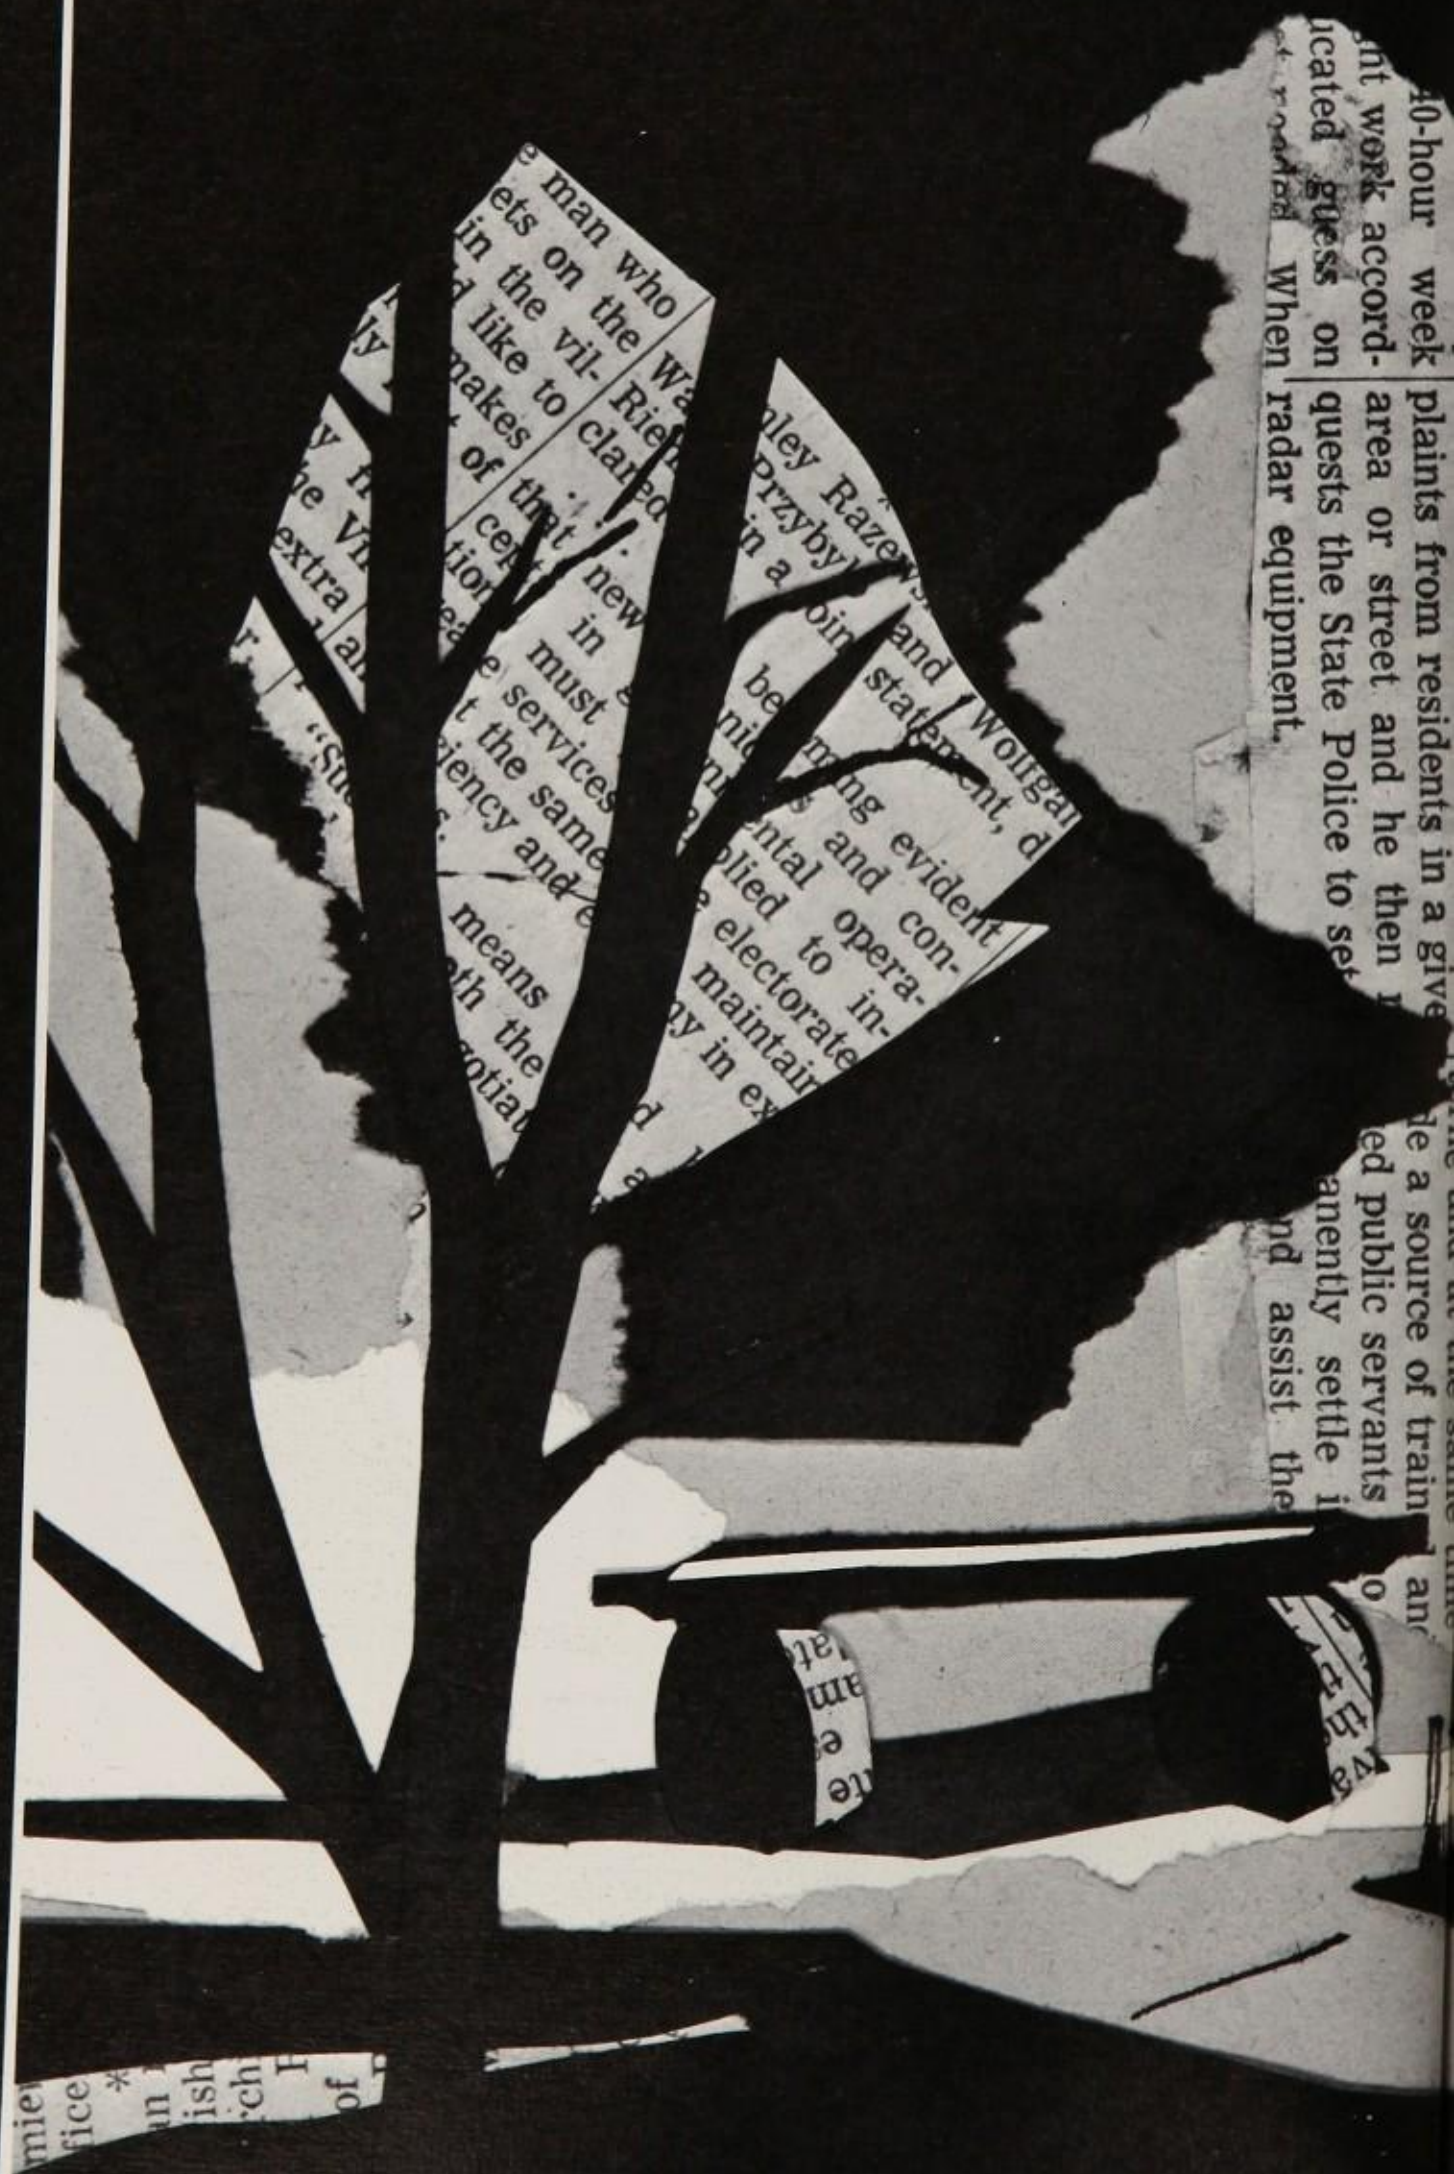

Smile now and stop pinching.

Playbills

Never has any one club at Mont Pleasant been more intensely active than the Playbills. Under the brilliant direction of Mr. Theodore Beardsley, the members have achieved glorious heights in the way of provocative and stirring drama. For anyone pursuing a theatrical career, this club offers rudimentary skills in developing one's histrionic capability.

Steve DiGiorgio waits for Joanne Barrett to finish her recitation.

The Playbills present the play, "The Brick and the Rose", in a contemporary fashion.

Future Nurses of America

The Future Nurses Club headed by Mrs. K. Davidoff attracts a large number of girls who hope to enter the nursing profession. It gives the girls a sense of what to expect in the nursing profession and the great importance of it. Each month the club meets, or whenever a speaker is scheduled, to discuss nursing careers. The participants, in addition to acting as volunteers at hospitals, visit local medical centers, entertain younger children and work in health offices.

This club helps prepare the girls for a very worthwhile and dedicated career.

Golden Spike Shoe

With the illustrious history of accomplishment in track and field events at Mont Pleasant, a shining record of excellence dating from the inception of the school some thirty five years ago, it is entirely fitting that we long since been accorded the privilege of representation in this national society. Membership in this organization is a coveted honor, a status acquired through election by present members. Candidates are selected for consideration by virtue of their interests, participation, and ability in this area of athletic prowess. Students who have demonstrated the foregoing qualities become eligible for consideration in the latter half of the sophomore year. The local society is sponsored by Mr. Raymond Vacca.

Under the direction of Mr. David Boyd, athletic director of Mont Pleasant High School, the Athletic Council has the responsibility of assisting in administering details of athletic management in business matters. This organization is responsible for the myriad details which encompass home contests as well as unscheduled games such as the traditional game during Christmas recess and occasional contests between varsity and faculty during the year. In addition this group collaborates with the Pep Club and also makes available discounts for advance admission sales.

Monogram Club

Sponsored by Miss Constance Argulski, this organization functions as a girl's athletic service club. It was founded to encourage qualified girls to assist as student leaders in physical training classes, to act in an official capacity during intramural and interscholastic contests, to set up equipment for class use, and to assist the physical education staff in implementing its total program. Membership is accorded only to those girls who have earned a varsity letter.

Student Store

Under the auspices of the DECA Club and Mr. David Pause, the Student Store epitomizes the spirit of service to the student body. This commercial venture operates with an extremely low overhead and the modest profit which accrues is returned to the school's general fund for use in promoting further educational benefits for the entire school. The unselfish fidelity of the store staff enables the store to serve the convenience of student body and faculty alike before school, during noon lunch hour, and after school. This labor of love provides a reciprocal benefit in enabling store personnel to gain initial training in the art of merchandising.

Student Board

In consonance with the modern philosophy of integrating genuine democratic concepts in a realistic manner within the American High School, the student board of Mont Pleasant High School has become an integral part of all facets of administration which are of direct concern to the student, for it is through this agency that the student body is given voice both individually and collectively.

At Mont Pleasant each homeroom elects a representative and an alternate to membership on the board and thus forms an effective liaison among the student body, faculty, and administrators. In addition to this important function as a clearing house, this congress also organizes various activities and sponsors many school-wide projects.

One example of these constructive labors was its participation in weekly homeroom collections to defray the expenses of American Field Service Scholarships which made possible Mont Pleasant's participation in its international exchange student program.

Watchtower

An award winning journalistic enterprise in interscholastic competition for many years, "The Watchtower" continues its function of synthesizing school life within its pages. Under the dedicated supervision of Mr. John Van Schaick, our student newspaper continues to fulfill its objective of presenting school news while it is still current.

In the further development of this concert, the staff last year effected a change of policy which saw the transition from five or six editions throughout the year to the publication of a weekly edition. The new schedule met with instant and eager acclaim and marks another milestone in extra-curricular journalistic achievement "on the Hill".

Future Homemakers of America

Girls interested in various aspects of homemaking are encouraged to join the F.H.A. They bake cookies and learn to prepare a great variety of dishes. Many of the products they prepare are donated to people who are ill or who are in military service.

Mrs. Kraemer is the faculty advisor of F.H.A.

Future Teachers of America

Students interested in the field of teaching will find the F.T.A. a valuable aid to their future plans. Students become acquainted with the field of education through films and professional speakers.

Seniors are offered laboratory experience in cadet teaching at area elementary schools, where they assist the teachers.

Library Club

An efficiently supervised library provides students with a stimulus to return frequently to seek information from its many resources and to lose themselves among an adequate collection of best-sellers. The Library Club contributes appreciably in this area. The members aid the librarians extensively in performing numerous tasks, among these, the annual faculty tea at which retired teachers are feted.

Choir

Undoubtedly the best single noun to delineate this musical aggregation would be "excellence", for the reputation of this group of two hundred voices is almost legendary. Under the direction of Mr. Cleveland Howard, chairman of the music department, this choral enterprise meets in class sections averaging three periods a day to perfect its repertoire.

Among its traditional presentations for public enjoyment are included the annual winter and spring concerts, the annual presentation of a Christmas program at Hotel Van Curler for the Kiwanis Club, as well as many visitations to other high schools throughout the East. In addition, the Mont Pleasant Choir also combines annually with the Linton High School Choir in the "Music for Unity" concert. This ambitious schedule culminates with the performance at Comencement exercises in June.

Symphonics

The Symphonic Singers is a select choral group sponsored and directed by Mr. Cleveland Howard. They perform in concerts here at Mont Pleasant and frequently travel to perform for other schools.

Even the band was there to cheer for our football team!

Band

Mont Pleasant High School is very proud of its band. The many hours of work invested by the students to prepare their music have led to the unusually fine quality of their performances. The entertainment provided by the band at half time of football games confirms this statement. Mr. Hallenbeck, the band's director, also leads the group at many school assemblies and public concerts.

Mr. Hallenbeck listens closely for a perfect sound.

Girls' Athletic Club

School spirit is greatly encouraged by the activities of the Girls' Athletic Club. The fund raising activities of G.A.C. include the selling of small megaphones and pins for the Mont Pleasant-Linton game.

At the end of the year athletic awards are purchased by G.A.C. for qualified girls.

Vocational Club

In the fall of 1967 a new club appeared upon Mont Pleasant's extra-curricular horizon, the Vocational Club sponsored by Mr. Charles Henry. The newly-elected officers are Paul Larsen, president; Douglas Graham, vice-president; John Whitehead, secretary; Americo Pallante, treasurer.

This new activity has as its purpose the further development of the vocational student's knowledge of his role in industry. Membership is open to those students specializing in the industrial arts course.

German Club

With the aid of films and speakers, the German Club enables members to meet and learn about various German speaking countries.

Dances and bakesales are major fund-raising activities of this group.

Spanish Club

One of the most rewarding aspects in the study of a foreign language is learning about the customs and traditions of the people who speak that particular tongue.

Under the sponsorship of Mrs. Katherine Opdyke, the Spanish Club is devoted to these purposes. Numerous guest speakers throughout the year enable the students to delve more deeply into the sociology, economy and politics of the Spanish nation.

National Honor

Membership in the National Honor Society is one of the highest honors which Mont Pleasant can bestow upon its students. Before earning this privilege students must maintain at least a 3.00 index, participate widely in extra-curricular activities, and be of sound moral standing. Miss Wilson sponsors the society and co-ordinates a tutoring service for many of our students.

Senior Critics

This club was designed to cater to those who wish to ingest and digest the vast knowledge of the literary world. Periodically, the members meet to discuss select books and to delve into their inner meanings. Sponsored by Mrs. Elaine Heidenstrom, the club is a must for the avid reader.

Ebenwyck

Nearly a decade ago one of the first elective courses of the Mont Pleasant English Department, creative writing, sponsored its first publication under the direction of Miss Isabel Jarvis, one of our present guidance counselors.

Since that time the annual publication of Ebenwyck has become a tradition. Although the course is largely comprised of seniors who are creatively inclined, students from all grades and ability levels are encouraged to submit manuscripts for consideration.

This year's course and subsequent publication are under the guidance of Mrs. Diane Cohen.

Girls' Bowling

One of the most popular clubs in girls' sports is Bowling Club. This group meets twice a week, on Monday and Thursday, at the Sportsmen Bowl. Under the guidance of Miss Marcia Carr, the girls learn bowling skills, improve their game, and at the same time enjoy themselves while getting exercise. The girls compete against each other and occasionally against other schools. At the end of the year trophies are awarded to girls who have the highest averages.

Varsity Cheerleaders

Since the inception of organized sports in both public and private high schools and colleges, the "sis, boom, bah" and animated antics of female cheerleaders have been a part of the competitive athletic scene.

Mont Pleasant has always been extremely fortunate in its ability to produce shapely, enthusiastic, and sports-oriented young ladies to grace the fields at major sports events, to generate a fever pitch at pep rallies, and, in general, give both vocal and moral support to the Red Raiders.

Stamp Plan

This year Mont Pleasant has introduced an entirely different type of club into its extra-curricular activity system—the Stamp Plan Club. This club was initially designed to relieve the heavy burden from the subscription staff of the Montaneer. Stamp plan representatives are based in each homeroom for the express purpose of selling stamps. At the close of the school year, if the student has purchased the necessary seven dollars worth of stamps, he will receive a copy of the yearbook "Montaneer" and of the literary magazine "Ebenwyck". Throughout the school year he may also receive each issue of the Watchtower. The student is also able to attend all home athletic contests free of charge.

Montaneer

Since the opening of Mont Pleasant High School in the early thirties, the *Montaneer* has been a salient feature of the extra-curricular format and tradition. With the passing of the years and the attendant growth of new concepts, the *Montaneer* has also increased in size, prestige, and excellence. Today it is the largest non-athletic activity both with respect to its demands of time upon its staff and sponsors as well as the financial responsibility which accompanies this publication annually.

We, the staff, therefore wish to extend our sincere appreciation to our advisors who labored with us without complaint, who were generous to a fault, and who bore our mistakes and shortcomings with a Spartan stoicism. Among these are Mrs. Florence Gronvall, our yearbook coordinator, who is the guiding light for lay out and art, scheduling for deadlines and photography, distribution, and financial arrangements. To Mr. Robert Burns, our literary advisor, goes our thanks for editing and proofreading of the context. Also to Mrs. Fogerty and her advertising sales staff go our plaudits for their work in easing the financial burden which such a publication poses.

Finally, upon this page we give recognition to the staff of *Montaneer* 1968 who, as principal members of the editorial board, gave so unstintingly of their time in order to make this edition possible. Nor can we fail to mention such worthies as Joan Willsey, Frank Porter, Paul Secor, Linda Smith, Linda Nedosko, Patty Lavin, Frank Fox, Mary Hofer, Jo-An Palkovic and George Leber whose time and effort far exceeded the call of duty.

Junior Prom

On April 14, 1967, the cafeteria experienced its annual magical transformation from the utilitarian purpose of preparing and dispensing nourishment for the student body and for a few brief hours exuded the romantic aura which sustains the spirit.

The event, of course, was the Junior Prom in the setting a make-believe ballroom conceived in the motif of a "Summer Place." The redoubtable Steve Anthony's Orchestra, long a favorite at Mont Pleasant, furnished the music.

Promptly at eleven o'clock a fanfare announced the coronation of Queen Nancy Arre who was escorted to her throne by Vincent Aartiniano, president of the class of 1968. At twelve o'clock "A Summer Place" dissolved into history, entering memory lane to join its predecessors of yesteryear.

Christmas Parties

Once again the girls gym reverberated to the beat of drums and guitar. "An Old Fashioned Christmas with Charlie Brown" was in progress. The students laughed and danced their way through the festive occasion in a gym which, through the magic of artistry, had lost its utilitarian air only to have it replaced by one of bright informality. From the walls, the large smiling faces of Charlie Brown, Snoopy, and Lucy, gazed on the mass of people. Shimmering snowflakes and traditional mistletoe "decked the halls." And the decorated tree towering above everyone. The gaiety was reflected in the entertainment provided by various students and, of course, in a visit by Santa who, true to all legends, passed out gifts to the "good girls and boys."

Even good things must come to an end. However, this year's Christmas Parties will long be remembered as events that made a truly Merry Christmas.

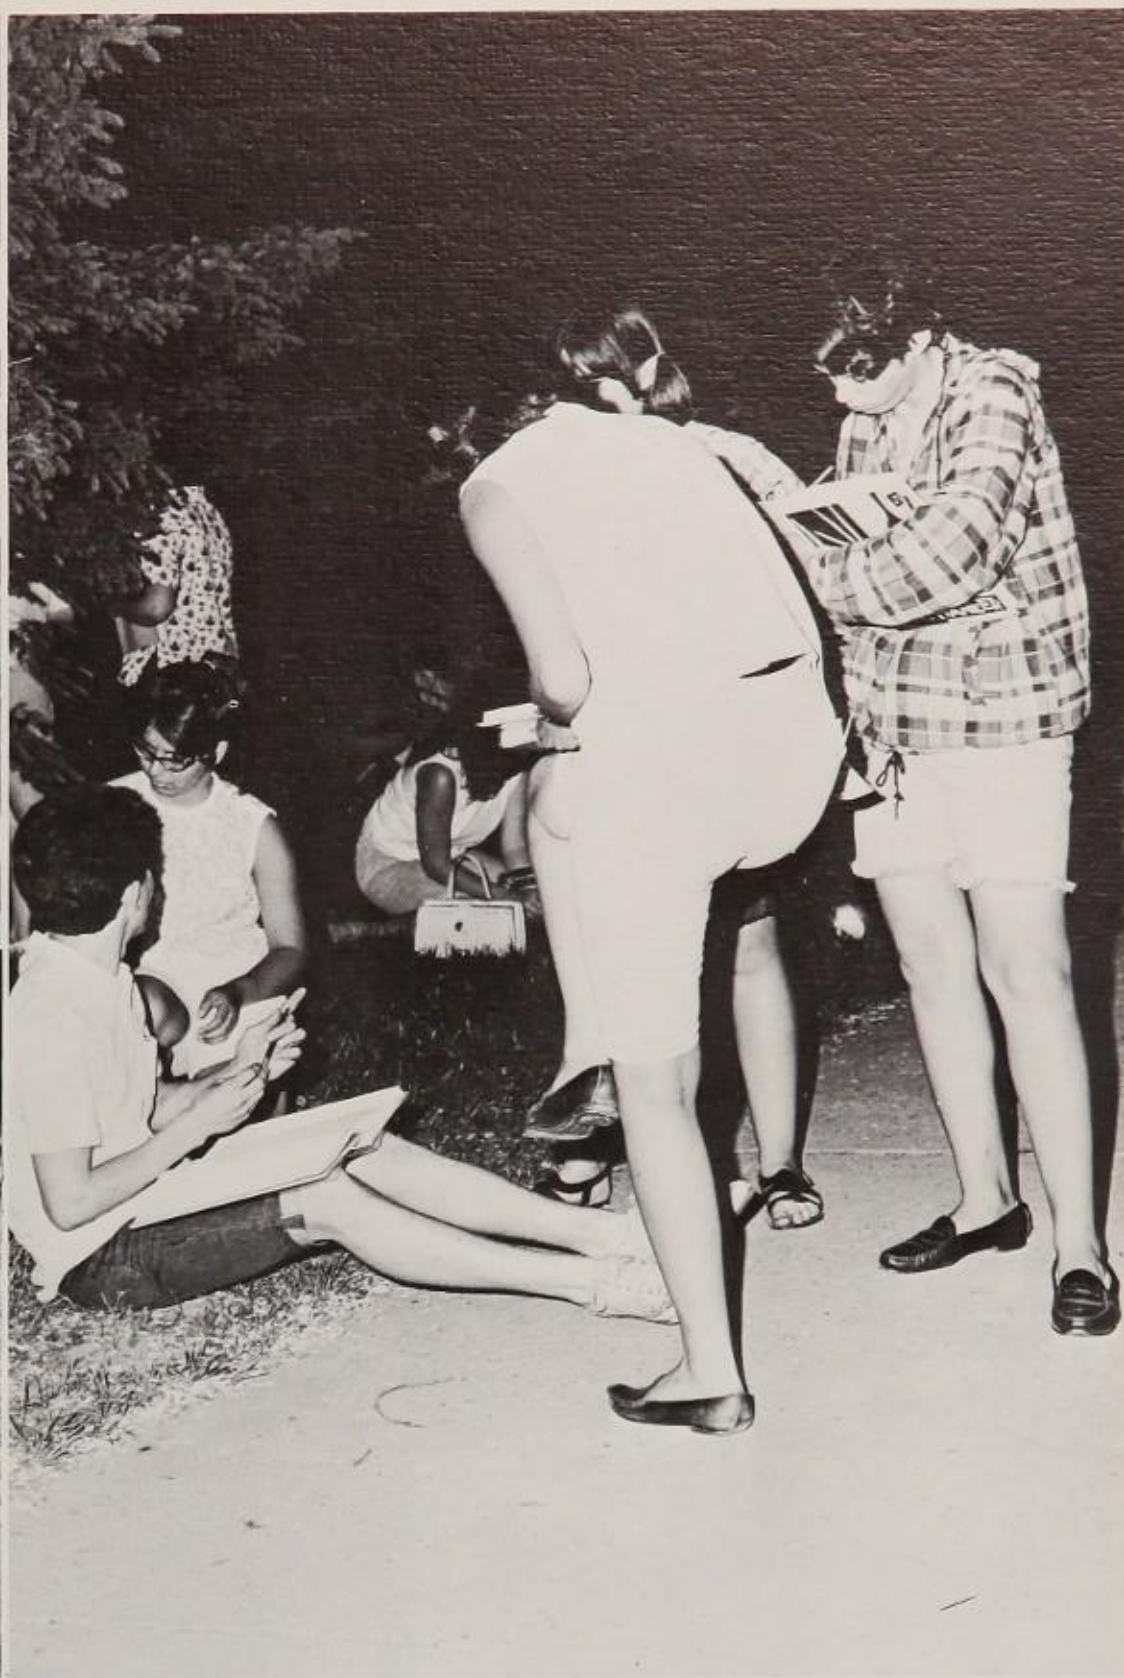

Yearbook Night

Joyous throngs of students gather into intimate groups on the sweeping expanse of the school lawns. A bond of mutual affection permeates the atmosphere as friends exchange written greetings of warmth and admiration.

Underclassmen full of vigor and vitality look forward with mixed feelings upon the coming year. Seniors, charged with anticipation of what the future holds in store for them, are perhaps a trifle apprehensive about venturing forth into a cold, biased world.

All too soon it ends. Slowly they drift home, ecstatic with pleasant, cherished memories, tinged with a hint of sadness. The happily-raised voices cease. Nothing is heard on this June night except the soft caressing note of the sultry breeze.

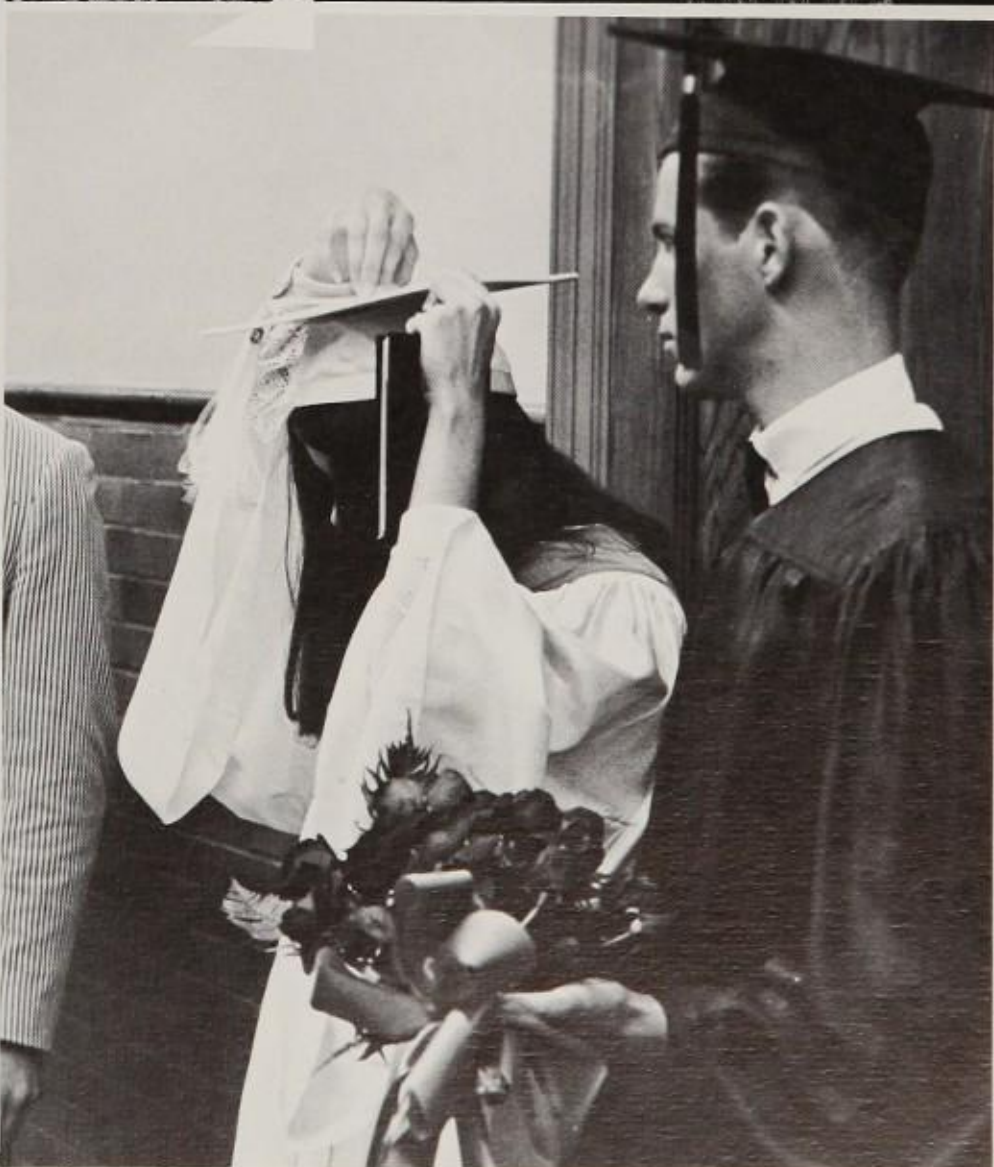

School Life

Once again another year has drawn to a close. For some it means the end of walking through the hallowed halls of Mont Pleasant. For others, it signifies a brief respite before resuming classes again.

It has truly been an exciting year filled with the usual idiosyncrasies of "school life." Can we ever forget the joy of having an undefeated football team, the flurry and last minute bustling which accompanied the many dances, the apprehension and dread at report card time? Wherever destiny may lead us, we will always recall the hauntingly beautiful memories which will always shadow us—a comfort in time of sorrow and inner anguish.

On the following pages we hope to recreate through pictures a partial story of what life actually was like at Mont Pleasant.

Studio 113

The major production of the year at Mont Pleasant was Tennessee Williams' *The Glass Menagerie*. Directed by Mr. Theodore R. Beardsley, Jr., instructor in drama and speech, the presentation of the play on Feb. 15, 16, and 17 was an outstanding success. The portrayals of the four characters were skillfully done by Joanne Barrett, Gary Mele, Colleen Collins and Allan France. The excellent lighting and set construction aided in the setting of the mood of the play.

The Playbills also presented *The Brick and the Rose* to the English classes. Lewis John Carlino's play of a collage of voices was a new experience for most of the students. *Right Footed Left Overs II*, directed and choreographed by Steve Di-Giorgio was his interpretation of certain pieces from Broadway shows. This and *The Brick and the Rose* were also presented at night.

Ralph Roister Doister was presented by the teachers for the enjoyment of the students last year.

This spring The Playbills is sponsoring a speech and drama festival and also a Children's Theatre Presentation.

Ken Jackson looks for some running room against Amsterdam.

Varsity Football

After successive years of improvement, the Red Raiders put it all together to come up with the first undefeated football team since 1955 under Coach Larry Mulvaney.

The season was highlighted by wins over Aquinas, Middletown, Amsterdam, and cross-town rival Linton. Revenge was sweet with a 52-14 drubbing of the Middies, who defeated the Raiders last year.

The team was voted No. 1 in the Capital District Area with Ed Marcinkowski, Garry Campbell, Harold Oppelt, Al Aldi, Gale Knull, Ron Page, and Jerry Gaida named to first team All-County berths. Gale Knull and Ron Page were named County Co-Players of the Year. Page held the Class A scoring lead and Knull was a consistent defensive standout every game.

Next year's future looks bright with the return of a number of key varsity gridders and the promotion of several outstanding Jayvees.

WRESTLING

Individual performances were the key to the success of Coach Larry Mulvaney's matmen during the 1967-68 season. Gale Knull and Ed Paniccia were undefeated while Dick Patka won all but one of his bouts during the season. All three have excellent chances for victory in the Sectionals at the end of the season. Despite the graduations of seniors Knull, Patka, DeGeorgia, Carusone and Knights, Coach Mulvaney has his sights set on another Class A league title.

VARSITY BASKETBALL

Coach Dave Bleau's varsity basketball team came a long way during the '67-'68 season to attain a mark of respectability that had been missing for four long years. The major achievement for the team was its escape from the Class A League cellar for the first time in four years.

Coach Bleau emphasized youth in his rebuilding campaign and his efforts were rewarded with the appearance of sophomore Larry Harris. Harris averaged in double figures and might lead the team to the Class A League crown next season. Senior guard Jim Kozak led the squad with his scrappy play and excellent ball handling and was ably assisted by Juniors Tony Delgado and Ron Page. Big John Lane, playing center, used his height and led the team.

Jim Kozak takes to the ground to recover a loose ball against Linton.

JUNIOR VARSITY BASKETBALL

Coach Ken Johnson's junior varsity basketball team put together a fine season to come up with one of its best records in many years. Despite a slow start, the team picked up to finish above the .500 mark for the second consecutive year. Highlights of the season were two consecutive overtime wins over Troy High and Catholic Central of Troy.

High scorers for the team were Chuck Pierce, Jerry Carlos and Mike O'Brien, assisted by Dennis Warner and John Reese. Some of the fine ballplayers who developed out of this year's squad look to be strong candidates for next year's varsity.

Mike O'Brien jumps in a few as a teammate "picks" for him.

Baseball Team

The 1967 Cherry and White baseballers exhibited great balance to come up with a 17-3 overall record and capture its first Class "A" League crown in three years. This was a considerable improvement over the 1966 finish of second in the league and a creditable 12-7 slate in the won-lost column.

Lou Santoro led the pitching staff with the lowest ERA in six game appearances. Jack Ollson held the highest individual batting average with Tyrone Hines close behind to provide consistent on base percentage in the lineup.

Next year's team looks equally good with the pitching staff intact and great power in the lineup.

Steve Anderson is far ahead as he completes a lap of the mile run.

Denny James and Ron Page lead the way over a high hurdle in a meet against Albany.

Individual performances were the highlights of a 1967 outdoor track season which saw the Ray Vacca-coached harriers cop their third straight Schenectady Invitational Crown.

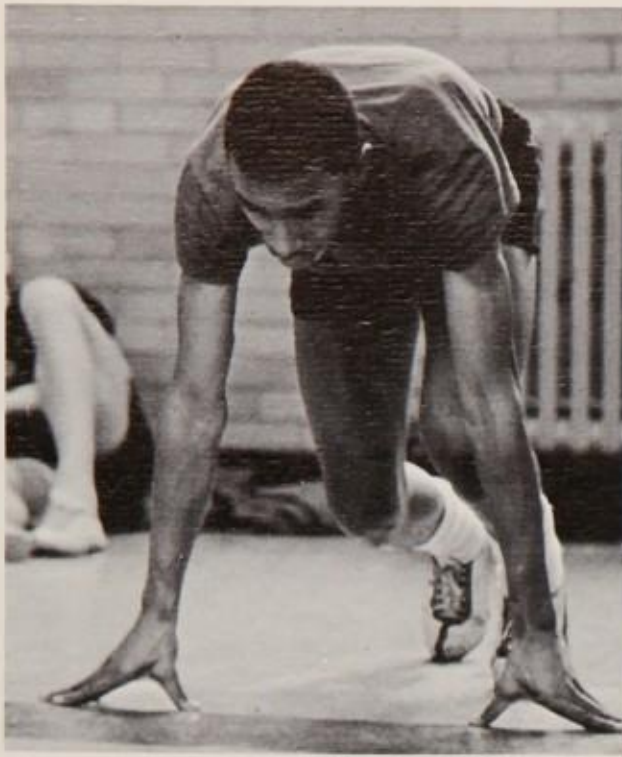

Gerry Ostrander tied the school record with a 10: flat clocking in the 100 yard dash. Ostrander, Denny James, and Ty Hines were valuable in the hurdle events which saw them finish first going away on innumerable occasions. Rich Rowley set a new school high jump record with a 6'2" leap. And members of the Relay teams garnered a good share of the points which put the Red Raiders on top time and again, not mentioning shot-putters, discus throwers, milers, and pole vaulters.

John Bittner crosses the finish line far ahead of a distant opponent.

John Norvici takes the baton from Ron Page in a close relay event.

Sprinter Nelson Griffin takes his mark during practice.

INDOOR TRACK

Coach Jan Zadoorian's indoor trackmen were one of the highlights of the winter sports season as a result of their complete domination of the Capital District track scene. The team was victorious in all but one of their meets, in which they finished a close second.

The key to the team's success seemed to be their balance and depth with Dennis Pelkey and Nelson Griffin leading the way in the sprints, Steve Anderson in the distances, Tom Ille and Pelkey in the hurdles, Joe Zelezniak in the shotput, Bob Kochem in the high jump. Hats off to the team for their hard work and the victories that came as a result of their labor.

Golf

The 1967 Raider golfers showed continued progress after a 3-8 record in '66. Senior veteran Lou Pacelli led the team to its victories with four years of varsity experience under his belt. Prospects for still more improvement this year are good despite the graduation of seniors Sayles, Pacelli, and Sheldon.

Tennis

After a famine of many years, the 1967 Raider tennis team came up with a fine season to compile a 14-4 record as compared to a 4-10 slate in 1966. Fine performances were turned in all around and the future looks bright with the return of practically the entire squad. Senior stars Bob Alheim and Gary Calkins led the Pleasant netters to their excellent record.

FIELD HOCKEY

This year, field hockey, one of the popular feminine sports, enjoyed a singularly fine season under the tutelage of Miss Argulski.

Although frequently plagued throughout the season by inclement weather, the combined skills and general esprit de corps of this aggregation contributed to a successful season.

With the continued increase in the popularity of this sport, it is anticipated that the scope of intramural competition will be broadened and that succeeding seasons will witness a substantial growth in this discipline.

Girls' Volleyball

One of the more demanding sports with respect to physical fitness, volleyball properly has an eminent status in the girls' athletic program at Mont Pleasant. Aside from the obvious demands of physical excellence, this sport also requires that the participants possess a high degree of coordination, general dexterity, and sense of timing.

This past year Mont Pleasant has again fielded a team of considerable excellence, one which completed the season in which it had won the maximum of thirty five matches! In addition to the general quality of performance, this record also attests the expertise of its coach, Miss Diane Charton.

GIRL'S BASKETBALL

The year has been a good one for Miss Argulski's varsity basketball team. They are showing area schools that they are not only on top in volleyball but basketball too. They have already proved this by winning their first three victories. They beat Mohonasen, Niskayuna and Burnt Hills.

Miss Argulski has trained her girls in all the areas of basketball they need to know. They play with sportsmanship and respect for others. They need all these things to be a successful team. Congratulations to our Girls Varsity Volleyball Team!

Seniors

Seniors are a recognizable aristocracy in any high school. Envied, admired, and respected by virtue of status as viewed by the underclassmen, these twelve year survivors are kings of the realm.

Soon, however, the inexorable quality called time pilfers these precious days of their years, and suddenly the hour of departure is at hand, a leave taking which plunges the neophyte from a comfortable and secure academic milieu into

a harsh world of reality, a maelstrom fully equipped with both natural and man-made paradoxes.

And thus it is our hope that in God's own time each of these will be surmounted by the ingenuity of man himself, that the abstract of Utopia may be transformed into the concrete of reality, that the graduates of 1968 may contribute to the eternal task of transforming this world into a better place in which to live.

FUND RAISING SPECIALIST

Best wishes to the graduating students. We hope most of you have your next home picked out at a college. If not, it's nice to know that more and more newly-weds buy a new home just before marrying, for it's cheaper to own, than to rent. For maximum financing, with minimum fuss, call FR 4-7714.

**KNOW WHAT HAPPENS
WHEN YOU GO TO A SMALL COLLEGE?**

THE TEACHERS KNOW WHO YOU ARE.

If you're interested in a small college with a great faculty that is interested in helping you get the meaningful and rewarding college education you seek, why not investigate The College of Saint Rose, a liberal arts college for women.

Small classes will let your teachers get to know you, and you'll get to know them, in the classroom and after class, at lunch, or over coffee. You'll have more opportunity for independent research and study. You'll learn more because you'll be challenged more . . . because the accent will be on you.

For information about programs of study and admission requirements, write to the Director of Admissions.

The End...

And The Beginning

Graduation . . . and the end of twelve years of grade and high school . . . the beginning of a new era for you.

Many of you will be going on to college, to technical schools . . . while others will be going directly to jobs. Whichever your course may be, remember that your education doesn't stop when you finish school. You can keep on learning . . . by reading, by being constantly curious on your job, about everything you do, and finding answers to your questions. You can't stand still . . . for space-age America holds little for those who refuse to make progress.

The scientists of the future need trained workers to back them up . . . technicians who can build from their plans. In business, in communications . . . in arts and the professions . . . there's a future for those who keep learning . . . those who acquire more skills and more knowledge.

At General Electric, the future will demand trained personnel everywhere . . . to design the machines, to build them, and to operate them . . . to handle the vast amount of work to be done in new ways, with new products. General Electric is not alone in this . . . for every firm finds itself in need of men and women with ability and training, in every degree.

In the years ahead, miss no opportunity to add to your store of knowledge. Keep searching for facts, for theories . . . for the basic information you will need to help you grow in your chosen field. If you do learn, you'll fit into the pattern of the future . . . ready to accept the opportunities it holds for success.

Editor's Message

“Happy is the man that findeth wisdom, and the man that getteth understanding. For the merchandise of it is better than the merchandise of silver, and the gain thereof than fine gold.—”

Proverbs 3:13-14

John,
Good luck
through out the
years. Please don't
improve any more on your
tennis. You beat me too much.
Huv ya,
Laura (Gros)
